Beware of Ointments for Catarrh That Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F J Cheney & Co, Toledo, O, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F J Cheney & Co. Testimonials free.

BASEBALL NEWS.

Ramblers Have Several Games in View.

Word has been received by the management of the Rambler baseball team that permission has been granted the Ramblers of Eugene and the Ramblers of Albany to play a game of baseball on the fair grounds at Salem on Sunday, June 9, the occasion of the annual excursion of the Brotherhood of Locomotive Engineers to that city.

This will be the second game between the two teams, the first game to be pulled off in Albany tomorrow. The Eugene Ramblers have been considerably strengthened since their last game with the addition of two or three new men, and they are now able to put up a splendid exhibition of baseball.

A proposition has been received by the local team from Grants Pass to play a game at that city on the Fourth of July for a prize of \$75. It is now being considered and perhaps will be accepted.

The Pan-American Exposition.

The exposition at Buffalo will be one of the greatest this country has ever seen. The entire machinery will be run by the power furnished from Niagara Falls. Although the motive power required is enormous we believe it is equal to the task, the same as Hostetter's Stomach Bitters is equal to the task of supplying the human body with motive power when it is enfeebled and run down. Its power to revitalize the system and supply new life and energy is well known. There is no other medicine in the world so good for dyspepsia, indigestion, flatulence and nervousness. It has been the favorite medicine for over fifty years. Be sure and get the genuine with private's revenue stamp over the neck of the bottle.
