Notice is hereby given that subscriptions to the \$25,000 four per cent school bonds for School District No. 4, Lane county, Oregon, will be open at the law office of E. R. Skipworth, in Eugene, until the 20th day of June, 1901.

The said bonds will be issued for twenty years, the said school district reserving the right to cancel the same or any portion thereof after ten years from issue. Said bonds will issue July 1st, 1901, interest payable semi-annually. No subscription for less than \$100 will be received.

Dated Eugene, Oregon, June 3d, 1901.

S. B. EAKIN,
Chairman of the Board of School Directors of said District.
GEO. F. CRAW, Clerk.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland of Armonk, N. Y., "but, when all other remedies had failed we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for coughs and colds. 50c and \$1 bottles guaranteed by W. L. DeLano. Trial bottles free.

Didn't Marry for Money.

The Boston man, who lately married a sickly rich young woman, is happy now, for he got Dr. King's New Life Pills which restored her to perfect health. Infallible for jaundice, biliousness, malaria, fever and ague and all liver and stomach troubles. Gentle but effective. Only 25 cents at W. L. DeLano's drug store.

Notice.

All applications for positions in the public schools for the coming year must be filed with the clerk on or before June 3, 1901.

Dated May 22, 1901.

(Geo) F. CRAW, Clerk.

A Terrible Explosion

"Of a gasoline stove burned a lady here frightfully," writes N. E. Palmer, of Kirkman, Ia. "The best doctors couldn't heat the running sore that followed, but Bucklen's Arnica Salve entirely cured her." Infallible for cuts, corns, sores, boils, bruises, skin diseases and piles. 25 cents at W. L. DeLano's.

GOOD INCOME.—Tuesday's Albany Democrat: The first month of the bridge with a toll will close tomorrow night. The receipts to the first of the month were \$275.40, and since then have averaged \$12 a day, so that for the entire month they will be approximately \$340, which is considerably more than has been estimated.

RESIDENCE FOR SALE.—A fine residence for sale cheap in the heart of the city, one block from the business portion of Willamette street. Inquire of W. Sanders, Olive street.

Most alarming reports come from the growing wheat fields of Washington county, says the millers. Independent. One careful observer finds that on the north plain three straws out of five are tenanted by the Hessian fly in the larval state. It is feared that there will be no wheat harvested in the district affected. Lane county wheat fields are free from all such pests.

A young lady wrote some verses for a local paper about her birthday, and headed them "May 30th." It almost made her hair turn gray when it appeared in print "My 30th."

Justice Brown, of the supreme court, says: "A country cannot the same time be domestic and foreign. It cannot be domestic for certain purposes and foreign for purposes of levying duties."

A Close Call.

Primeville Review.

John Combs was the victim of a singular accident last Tuesday, which came near costing him his life. At dinner he was served with a cup of coffee, principally a solution of concentrated lye. This lye was used in cleaning the coffee boiler and through some neglect was not thrown out before the midday meal and was boiled up with the rest of the coffee. Mr. Combs took a real hearty drink, and as we have intimated, with an almost fatal result. Dr. Rosenberg was called and attended him. The young lady who prepared this strong coffee was also a victim of her own carelessness.

Engineers' Excursion.

A grand railroad excursion will be given by the Brotherhood of Locomotive Engineers to Salem on Sunday, June 9. The excursion will be conducted by capable and experienced men. A baggage car will be attached to each train to accommodate people with bicycles and lunch baskets. The attractions at the Fair Grounds will be many and varied, including bicycle races, athletic sports, baseball and a band concert. No intoxicating liquors will be sold on the grounds. The state institutions will be open to visitors from 1 to 4 p.m. All trains will leave Salem at 5 p.m. Round trip from Eugene, including admission to fair grounds, \$1. No one will be allowed on the train without a ticket.

Pure Home Made Brandy.

For liver, kidney or stomach troubles, colds, grippe or biliousness there is nothing better than Francis' pure brandies. All orders promptly filled with pure, apple or pear brandy at 75 cents per quart, or \$2.50 per gallon. Orders by stage or express will be securely boxed. Made and sold to consumers only.

I. M. FRANCIS,
Fifth and Blair streets, Eugene, Or.

THE BEST PRESCRIPTION IS

Grove's Tasteless Chill Tonic.

The formula is plainly printed on every bottle—hence you know just what you are taking when you take Grove's Imitators do not advertise their formula knowing that you would not buy their medicine if you knew what it contained. Grove's contains Iron and Quinine put up in correct proportions and is in a Tasteless form. The Iron acts as a tonic while the Quinine drives the malaria out of the system. Any reliable druggist will tell you that Grove's is the **Original** and that all other so-called Tasteless Chill Tonics are imitations. An analysis of other chill tonics shows that Grove's is superior to all others in every respect. You are not experimenting when you take Grove's—its superiority and excellence having long been established. Grove's is the only Chill Cure sold throughout the entire malarial sections of the United States. No Cure, No Pay. Price, 50c.
