Still More Counterfeiting.

The Secret Service has unearthed
another band of counterfeiters and se-
cured a large quantity of bogus bills,
which are so cleverly executed that
the average person would never suspect
them of being spurious. Things of
great value are always selected by
counterfeiters for imitation, notably
the celebrated Hostetter's Stomach
Bitters, which has many imitators but
no equals for indigestion, dyspepsia,
constipation, nervousness and general
debility. The Bitters set things right
in the stomach, and when the stomach
is in good order it makes good blood
and plenty of it. In this manner the
Bitters get at the seat of strength and
vitality, and restore vigor to the weak
and debilitated. Beware of counter-
feits when buying.

Don't Listen

To the man that says it's impossible to repair a bicycle. You can't take a wheel apart and put it in good working order. Only the Expert can do it. The proper tools can do it.

Bicycle Repairing

Should not be attempted at home. Your wheel looks odd and doesn't run. Frames "cracked". If it is so, we have it set right. The use of our case will be trifling.

We have four Experts

Who Repair and Manufacture Bicycles. Competent men who have worked
Ohio, Illinois, Missouri, Kansas, Mexico, Idaho and O reg. A
