LIST OF EVENTS.

It is given out that an admission price of 25 cents will be charged spectators at the gate and that none but Knights of Pythias will be allowed to enter in the several events which are as follows:

One hundred yard dash.

Four hundred and fourty yard dash.
One hundred and twenty yard hurdle.
Pole vault.
High jump.
Broad jump.
Shot put.
Hammer throw.
Five-mile relay bicycle race.

It is hoped to have six Knights enter in each event, and as Helmet lodge has a large membership no doubt that number will be secured.

This field meet will be held at a time when things in the amusement line are quiet, and it will be largely attended.

It is said that Deacon Davis, Elmer Roberts, I T Nicklin and other Knights of like build are already in active training for the weight events, and Fred Fisk and "Doc" Vincent will be among those to enter the sprints, pole vault, etc.

Still More Counterfeiting.

The Secret Service has unearthed another band of counterfeiters and secured a large quantity of bogus bills, which are so cleverly executed that the average person would never suspect them of being spurious. Things of great value are always selected by counterfeiters for imitation, notably the celebrated Hostetter's Stomach Bitters, which has many imitators but no equals for indigestion, dyspepsia, constipation, nervousness and general debility. The Bitters set things right in the stomach, and when the stomach is in good order it makes good blood and plenty of it. In this manner the Bitters get at the seat of strength and vitality, and restore vigor to the weak and debilitated. Beware of counterfeits when buying.

SOCIAL.

THE BAND CONCERT.

The third indoor concert given by the Fourth Regiment band last night in the Armory was well attended by a fashionable audience. The program was well rendered and each number elicited vigorous applause from the listeners who occupied the balconies encircling the large drill hall. After the conclusion of the program the floor was cleared and the orchestra furnished music for a couple of hours of dancing which was participated in by a large number, many students and visitors from a distance being present, this being the students' annual ball.

A NEW HOSPITAL.

To Be Erected in Eugene in the Near Future.

Rev Father Przybylski, rector of the Catholic church of this city, while in conversation with a reporter today, made the statement that a fine new hospital to be erected on the two lots at the corner of Eleventh and Oak streets, in the rear of the Catholic church, is in contemplation for the near future.

Father Przybylski said that if sufficient encouragement is given the project, the work of erecting the hospital, which is intended to be strictly modern and up-to-date, will commence soon.

The proposed hospital will be in charge of the Sisters of Mercy, which act alone insures splendid treatment and care for those who may be so unfortunate as to require the services of a surgeon or physician.

It is intended to erect a building sufficiently large to install therin 10 or 12 beds and later on to increase the number to 15 ormore. All the sanitary appliances will be used, and when the building is completed and everything is in working order it will be one of the finest little hospitals on the Pacific coast.
