White Man Turned Yellow.

Great consternation was felt by the
friends of M A Hogarty of Lexington,
Ky, when they saw he was turning
yellow. His skin slowly changed color,
also his eyes, and he suffered terribly.
Himself was Yellow Jaundice. He
was treated by the best doctors, but
without benefit. Then he was advised
to try Electric Bitter, the wonderful
Stomach and Liver remedy, and he
wrote: "After taking two bottles I
was wholly cured." A trial proves its
matchless merit for all stomach, liver
and kidney troubles. Only 50c. Sold
by W L DeLano, druggist.

a prominent boot and shoe house of
San Francisco.Geo M Smith has resigned his po-

president of the Brownville Mill &
Mining Company, left Monday for the
Footman mine in the Blue River dis-

proceed development work on the
company's property. "Chub" Wilson

That Contain MercuryAs mercury will surely destroy the
sense of smell and completely derange
the whole system when entering it
through the mucous surfaces. Such
articles should never be used except on
prescriptions from reputable physi-
cians, as the damage they will do is
ten fold to the good you can possibly
derive from them. Hall's Catarrh
Cure, manufactured by F J Cheney &
Co, Toledo, O, contains no mercury,
and is taken internally, acting directly
upon the blood and mucous surfaces of
the system. In buying Hall's Catarrh
Cure be sure you get the genuine. It
is taken internally, and made in To-
ledo, Ohio, by F J Cheney & Co. Testi-
monials free.

\$1.00 and \$2.00 per day.PREPARING TO BUILD.—Gilfry &
Whitaker today moved their millin-
ery fixtures and goods from the Han-
son building and stored them away.
The building will immediately be
moved away and Hanson Bros will
commence next week the erection of
their brick. A gentleman living a
couple of miles in the country has se-
cured the old building and he will
move it to his place and use it for a
barn.FELL FROM A TREE.—A bad acci-
dent occurred on Eleventh and Hil-
lary streets yesterday when Claire,
son of Mr and Mrs L D Green, aged 15
years, fell from a tree, a distance of 15
feet, falling on a pile of sharp rocks.
A number of his ribs are fractured and
he is otherwise injured. Dr W Kay-
kendall was called and the little fellow
is resting as easily as can be expected.CONTRACT AWARDED.—Today the
county commissioners' court awarded
the contract for building the Bear
Creek or Mahon bridge, four miles
west of Junction, to N B Alley, of this
city. There were only three bids as
follows: Geo W Kinsey, \$554.54;
Clarence Thompson, \$630.00; N B Al-
ley, \$390.00. Mr Kinsey's bid provided
for fir sills while Mr Alley's called for
oak.A PRETTY PRESENT.—Today Her-
bert Eastland, on behalf of the Cyclone
Hose Co, presented to little Miss
Wanda Logan, who rode on the com-
pany's car in the Fourth of July
parade, a very pretty gold ring, set
with pearls and opals. The young
lady appreciates the gift very much.AGAIN BEATEN.—In the baseball
game yesterday afternoon at Grant's
Park between the Eugene Ramblers
and the Ashland team, the Ramblers
were again beaten, this time by a score
of 5 to 2. It was a splendid game.MARRIED.—In Eugene, July 3, 1901,

Isn't it a Beauty?

The ladies never tire of showing
their visitors the newly papered
rooms which were done in the
latest style by OVERTON the
Paint man. Let him do one for

WALL PAPER CO.**A CHANGE.—The change in the run-
ning of trains on the Natron branch of
the Southern Pacific, as promised some
time ago, and which was mentioned
in the GUARD, will take place tomor-
row. Under the new schedule the
evening train from Albany and Wood-
burn will only go to Coburg, where it
will remain over night and return in
the morning. The Wendling train,
which has been running to Springfield
will run to Coburg and connect with
the Albany and Woodburn train. It
is expected that the new arrangement
will enable the trains on this end of
the line to make schedule time, a thing
very much desired by the public gen-
erally.A GREAT MINE.—Bowdoinville Times:
The Great Northern mine in the Blue
River district, which was banded
recently to C H Park, was located but
little over a year ago. While it has
been known for several years that there
was gold in this property, it was not
located until the 26th of May, 1901, by
W A Templeton and H L and W W
Robe. R R Templeton has since
acquired an interest in the claim. It
is remarkable and speaks well for the
Calapooia side of the camp that capital
has been interested in so short a time.PYTHIAN FIELD MEET.—Now that
the Fourth has passed, arrangements
are being resumed, by Helmet Lodge,
Knights of Pythias, for their big field
meet to be held at Bangs' Park Friday
afternoon, July 12th. This promises
to be one of the most interesting events
of the summer and no doubt will be
largely attended by the amusement-
loving people of Eugene. Different
members of the lodge are in training
for various events and some good
sport is promised.PARALYZED.—George T Sears, of
Walker, received a stroke of paralysis
one day last week, which will prob-
ably lay him up for some time. The
stroke has rendered him almost speech-
less and affected one side of his body.
Mr Sears is comparatively a young
man and one of the most influential
and successful farmers of this part of
the country.IMMENSE RHUBARB.—Attorney I N
Harbaugh today brought to this office
an immense leaf and stalk of rhubarb,
grown on his lot on Madison street.
The leaf is over 40 inches wide and the
stalk is more than 6 inches in circum-
ference, the plant being about 2 1/2 feet
high. It is a beauty.BURNED.—In the plug-ugly parade
the Fourth, Zach Moore was badly
burned about the ears.

What Our Flag Stands For.

Wherever the American flag is
raised in token of sovereignty, it stands
for liberty, independence and equality
What our flag is to the nation. Hos-
tetter's Stomach Bitters is to the in-
dividual, inasmuch as it not only gives
you freedom from your ailments, but
protects your system in such a manner
that they cannot return. When your
stomach gets out of order, causing you
to belch after eating, or when you are
so nervous that you toss about all
night, unable to sleep, you should cer-
tainly try it, because it will strengthen
your stomach, steady your nerves, and
induce sound, healthy sleep, and for
indigestion, constipation and bilious-
ness there is nothing to equal it. Rheu-
matism is also counteracted by its
direct action on the kidneys.

Pure Home Made Brandy.

For liver, kidney or stomach trou-
bles, colds, lagrippe or influenza there
is nothing better than Francis' pure
brandy. All orders promptly filled
with pure, apple or pear brandy at
75 cents per quart, or \$2.50 per gallon.
Orders by stage or express will be se-
curely boxed. Made and sold to con-
sumers only.I M FRANCIS,
