TUESDAY - - AUGUST 13

JUDGE ROBERT EAKIN.

Accompanying a fine half-tone illustration is the following sketch of the life of Judge Robert Eakin in the Pendleton Tribune:

Robert Eakin, judge of the Eighth district, lives at Union, Oregon. He was born in Illinois in 1845, of Irish parents, and came to this state with them in 1866.

Judge Eakin is one of the most prominent citizens of Eastern Oregon. He has a splendid record in politics. His name was before the legislature of 1898 in connection with the office of United States senator, and he is considered a good man for the supreme bench of the state.

MORGAN'S BANK.

It must be acknowledged that J Pierpont Morgan's bank, the First National of New York, is far outclassing the famous Mr Reilly, who kept the hotel, in the gentle art of 'doin' quite well,' even when judged from the viewpoint of gigantic latterday profits in business.

This flourishing bank has just declared a dividend of 1,900 per cent on its old capital stock of \$500,000, this amazing division of profits amounting to nearly \$10,000,000.

POOR LO. The passing of the noble red man is brought to mind afresh by the

following item in the Albany Herald, dealing with one of these children of nature whose childhood was passed in this country: Jim Wheeler, an old-time Indian, was in Albany yesterday on his way to Brownville. This was his first visit to this city in 26 years.

An Oregon genius has invented and placed on the market a gopher gun that seems to be a success. Several gophers have been killed and several persons laid up for repairs by the wonderful little weapon.

In a suit for divorce against a former Salem couple it is charged against the husband that he plays several musical instruments and inhabits the saloons. The divorce is granted.

"Oh, you cruel boy, to take those eggs out of the nest! Think of the mother bird when she comes" - "The mother bird's dead, miss." a. How do you know that?" "I see it in your hat." - Punch.

MALARIA CAUSES BILIOUSNESS.

Grove's Tasteless Chill Tonic removes the cause.

Ringing Bros' circus will show in California this month, and will also favor Oregon with a few performances later. Whether it will stop in this city is problematical at present, but is quite likely it will. It is a first-class circus.

Executor's Notice.

Notice is hereby given that the undersigned, James Scribner, has been duly appointed executor of the estate of Andrew Scribner, deceased, by the county court of Lane county, Oregon; and all persons having claims against said estate are hereby notified to present the same with the proper vouchers to the undersigned executor at the law office of L. Bilyeu, in Eugene, Oregon, within six months from the date of this notice.

Recently there have been several cases of prominent men suddenly falling in collapse just after eating a hearty meal.

These men have all been under treatment for gastric "trouble," and yet the result shows that the treatment they had received had smothered the symptoms but had not retarded the progress of the disease.

There is a real danger in the use of palliatives when there is disease of the stomach and its allied organs of digestion and nutrition. The disease in such cases goes on while the distressing symptoms alone are stopped. Presently, like a smothered fire, the disease breaks out in new places, involving heart, lungs, liver, kidneys, or some other organ.

The use of Dr. Pierce's Golden Medical Discovery results in a radical cure of the disease of the stomach and its allied organs of digestion and nutrition. It cures diseases of heart, lungs, liver, kidneys, etc., when the disease of these organs has its origin in the diseased condition of the stomach and its digestive and nutritive system.

"I will tell you what myself and family think of Dr. Pierce's Golden Medical Discovery. I was taken sick some years ago. I got so weak I could hardly sit up. I was told to take Dr. Pierce's Golden Medical Discovery. I took one bottle and was cured. I thought I had died. Your medicine cost me three dollars and the doctor cost me fourteen dollars."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps, to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

WILEY G GRIFFON.

ASTONISHED THE EDITOR.

Editor S A Brown, of Bennettsville, S C, was once immensely surprised. "Through long suffering from dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor and suffered great distress from her stomach, but she tried Electric Bitters which helped her at once, and after using four bottles, she is entirely well, can eat anything. It's a grand tonic, and its gentle laxative qualities are splendid for torpid liver." For indigestion, loss of appetite, stomach and liver troubles it's a positive, guaranteed cure. Only 50c at W L DeLano's drug store.

Their Secret is Out.

All Badville, Ky, was curious to learn the vast improvement in the health of Mrs S P Whitaker, who had for a long time endured untold suffering from a chronic bronchial trouble. "It's all due to Dr King's New Discovery," writes her husband. "It completely cured her and also cured our little grand-daughter of a severe attack of whooping cough." It positively cures coughs, colds, a gripe, bronchitis, all throat and lung troubles. Guaranteed bottles 50c and \$1.00. Trial bottles free at W L DeLano's drug store.

What a Tale it Tells.

If that mirror of yours shows a wretched, sallow complexion, a jaundiced look, moth patches and blotches on the skin, it's liver trouble; but Dr King's New Life Pills regulate the liver, purify the blood, give clear skin, rosy cheeks, rich complexion. Only 25c at W L DeLano's drug store.

FOR SALE.-One 9-room house, large barn, woodshed and outhouses with three lots at a bargain. Enquire southwest corner 14th and Hilyard streets.
