ORIGIN OF A FAMOUS PHRASE.

Mrs Elizabeth A Meriwether, mother of the municipal ownership candidate for mayor of St Louis, recently wrote an article for the St Louis Republic in which she traced Lincoln's famous phrase, "A government of the people, by the people and for the people," back to the Wickliffe Bible of 1324. Mrs Meriwether says:

In his Gettysburg speech, Mr Lincoln gave voice to the grand aphorism: "This is a government of the people, by the people and for the people."

In the February number of Review of Reviews, Mr George Parker, late consul at Birmingham, writes that he thinks he has discovered the author of that celebrated phrase. In a book published in London, England, in 1795, Mr Parker found these words: "The American government is a government of the people and for the people."

I beg leave to say to the consul at Birmingham and to the editor of the Review of Reviews that they will have to go further back than 1795 to find the originator of that saying. In the preface to the old Wickliffe Bible, published in 1324, are the words: "This Bible is for the government of the people, by the people and for the people."

A CHEAPER WAY.

Doctor—To take the rest cure will cost you \$100 a week.
Henpeck—Why, doctor, I can send my wife away to the country for half that!—Judge.

FOUND HER HAND.

"Sir, I have come to ask you for your daughter's hand."
"All right, my boy. I think you'll find it in the dishwater."

The governor of Nebraska having lent his presence and countenance to the South Omaha bull fight the prosecuting attorney of the county thinks that he is not called upon to take action against the men that managed the brutal show in violation of the law. Appropriately the name of the governor is Savage. Respect for his official position, at least, should have kept him away from the debasing spectacle.

A trust has acquired control of the principal table oil cloth manufacturing concerns of the country. The first move was to advance the price, then several of the plants were shut down and all but a few traveling salesmen discharged. Consolidation, which should make the product cheaper, results in virtual robbery of consumers.

San Francisco has no cause for complaint about the Philippine war. Twenty million dollars have been disbursed in that port for army and transport supplies.

Glucose has advanced forty cents a hundred pounds. The advance represents the increased price of the corn from which it is manufactured.

Lord Roberts, the British commander, has issued an order that dismounted infantry officers shall carry carbines instead of swords, both on active service and maneuvers.

The traveler's tree, found in the island of Madagascar, has from twenty to twenty-four leaves, each being from six to eight feet in length, and containing, even in the driest of weather, a quart or more pure fresh water.

According to the census we had 17,665 less Chinamen in the United States in 1900 than in 1890, the number now here being 89,600. During the past ten years the Japanese increased from 2,039 to 24,300.

Some men who kill others go to the penitentiary, maybe get hung. Krupp, who has furnished the guns to kill many thousands of people, has an annual income of four million dollars and an estate estimated at forty millions. One is murder, another war. A distinction without a real difference.

A portion of the Blair road is sprinkled too liberally with gravel of different sizes. The road supervisor in whose district the road lies should rake off the loose rock. And the county court should remind all supervisors that it is a part of their duty to remove loose rock from graveled and summer roads.

To Save Her Child.

From frightful disfigurement Mrs Nannie Gallagher, of La Grange, Ga, applied Bucklen's Arnica Salve to great sores on her head and face, and writes its quick cure exceeded all her hopes. It works wonders in sores, bruises, skin eruptions, cuts, burns, scalds and piles. 25c. Cure guaranteed by W L DeLano, druggist.

IT MAKES WOMEN HAPPY.

"I had been a sufferer for many years from nervousness with all its symptoms and complications," writes Mrs. O. N. Fisher, of 1501 Lexington Ave., New York, N. Y. "I was constantly going to see a physician or purchasing medicine. My husband at last induced me to try Dr. Pierce's Favorite Prescription. After taking one bottle and following your advice I was so encouraged that I took five more bottles of Favorite Prescription. I continued taking it and felt that I was improving faster than at first. I am not now cross and irritable, and I have a good color in my face; have also gained ten pounds in weight and am a new woman once more, and your advice and your Favorite Prescription is the cause of it."

Beware of Ointments for Catarrh That Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F J Cheney & Co, Toledo, O, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F J Cheney & Co. Testimonials free.

All Sadleville, Ky, was curious to learn the vast improvement in the health of Mrs S P Whitaker, who had for a long time endured untold suffering from a chronic bronchial trouble. TAPE WORMS

"A tape worm eighteen feet long at least came out of the nose after my taking two CASCARETS. This I am sure has caused my bad health for the past three years. I am still taking Cascarets, the only cathartic worthy of notice by sensible people."
