AN ALL-ROUND THIEF.

Special to the Guard.

Fleener, Who Stole Cows, Also Stole a Bicycle.

It seems that the man, Fleener, who is wanted by the sheriff for stealing a number of town cows at Springfield and selling them to Frank Goodpasture, of this city, is an all-round pernicious thief and if ever caught will be sent 'over the road' on several counts.

It will be remembered that one day last May some one purloined Miss Ethel Kinsey's bicycle which she left standing in front of Frank & Son's Racket store. No trace of the wheel was found until this cow-stealing case came up, when Sheriff Withers went to Fleener's house in Springfield and saw a wheel tallying with the description of Miss Kinsey's. She was notified and yesterday afternoon she and her sister accompanied by the sheriff rode over there, identified the wheel and brought it home.
