 SUNDAY DINNER 50c
 EUGENE, OREGON

Trip to California.

A winter trip to southern California and Arizona via the famous Shasta route is our answer to the forgotten. He-brewed acquaintance with this section will ever develop fresh points of interest and added sources of enjoyment under its sunny skies, in the variety of interests and added industries, in its prolific vegetation and abundant number of resorts of mountain, shore, valley and plain.

Two trains leave Portland daily, morning and evening for California. These trains are equipped with the most improved pattern of standard and luxury sleeping cars, and the low rates place the trip within the reach of all. For illustrated guides of California and Arizona winter resorts, address R. B. MILLER, Gen. Pass. Agent, Portland, Or.

Saw Death Near.

"It often made my heart ache," writes L. C. Overstreet, of Elgin, Tenn. "to hear my wife cough until it seemed her weak and sore lungs would collapse. Good doctors said she was so far gone with consumption that no medicine or earthly help could save her, but a friend recommended Dr. King's New Discovery and persistent use of this excellent medicine saved her life." It's absolutely guaranteed for coughs, colds, bronchitis, asthma and all throat and lung diseases. 50c and \$1.00 at W. L. DeLano's.

First Submarine Cable

Which was made of ordinary wire insulated with gutta percha, was laid across the English channel about fifty years ago. It was also about this same time that Hostetter's Stomach Bitters, the world famous dyspepsia cure, was first introduced to the public, and its success as a family medicine during those years almost eclipses that of the submarine cable, while today it stands alone as the one reliable remedy for dyspepsia, indigestion, flatulency, constipation, biliousness, nervousness or insomnia. If you are a sufferer from these diseases, it is because you have never tried the Bitters. Try it at once if you would be well. It will strengthen your entire system, and produce sound sleep, and good health must naturally follow.

Hunter Rye.

Wm. Renshaw has been appointed Eugene agent for the celebrated Hunter Rye, one of the best whiskeys manufactured. It is bottled by Wm. Lammiman & Son, Baltimore, Maryland. The flavor of Hunter Rye is concentrated from its uniform quality, purity and age, and is always recognized. It is the American gentleman's whiskey.

Food Changed to Poison.

Patrelaying food in the intestines produces effects like those of arsenic but Dr. King's New Life Pills expel the poisons from clogged bowels, gently, easily but surely, curing constipation, biliousness, sick headache, fever, all liver, kidney and bowel troubles. Only 25c at W. L. DeLano's.
