A Good Show.

A full house witnessed a splendid
rendition of Ben Hendricks' famous
play, "Ole Oleon" at the Parker last
night. Mr Hendricks appeared in the
title role and as on previous occasions
when the play was produced in Eu-
gene, made a decided hit with the
audience. The play is interrupted
here and there by novel specialties in-
cluding the singing of the Swedish
Quartette, who are always greeted with
an ovation every time they appear.
They were encored time and again last

reproduction of "Santiago" by local
talent Friday night.WILL EXERCISE COUNTY BOOKS—At

HIGH SCHOOL ATHLETICS.

No Indoor Work This Year—
A Track Team.On account of not being able to
secure a suitable room for a gymna-
sium, the students of the High
School have decided not to do any
indoor athletic work this winter but in
the spring will put out a track team
which will be second to none in
state intercollegiate circles. A meet-
ing will be held tonight for the purpose
of electing a manager and captain for
the team. There are some thirty lad-
now going to the High School, and it
is probable several field meets will be
arranged with other schools in the
state this spring and summer.

isfied. En Howe.NEW STAGE ROUTE.—The Greenleaf
correspondent to the Florence West
says: "If the Chickahominy people
make an easy grade over their moun-
tain the Lake creek people will prob-
ably open the canyon route between
Nelson and Chickahominy creeks,
when there be an easy road that way
from Mapleton to Eugene, seven
miles shorter than the present mail
route. Then we will see the stages
when heavily loaded taking that
route, as they used to do during the
four years when the Wisconsin had
the mail contract and sent a man on
horseback up the Snake. We should
probably also see the carload postoffice
re-established and a new one opened
near the mouth of Nelson creek. At
least, the people along the route could
have box service, which would save
them many weary miles of travel in a
year.WANT ROAD AT THE MINES.—W S
Ross was before the county commis-
sioners' court this afternoon interview-
ing the judges and commissioners as to
the possibility of getting a road built
from the Calapooa side of the moun-
tain in the Blue River mining district
to the Lucky Boy mine, thus giving
road facilities from that section to Eu-
gene. The court could not give Mr
Ross much encouragement on the
proposition as the road fund will be
exhausted on the improvements al-
ready contemplated. Mr Ross, who
with his two sons, Frank and Charles,
and O L Taylor, owns several valuable
mining claims on the Calapooa side,
states that if the road were built they
would put a 10-stamp quartz mill on
their properties and many others
would do likewise.ADVERTISED LETTERS.—Postmaster

Perils of Our Presidents.

All our presidents have been in the
habit of mingling freely with the peo-
ple, usually without any particular
precaution being made for their safety.
The danger of this has been so empha-
tically pointed out in the last few months
that wise statesmen suggest that the
old plan be discontinued. There is
also cause for great danger in many of
the so-called remedies advertised for
stomach, liver and bowel complaints.
The safest medicine to take is Hostet-
ter's Stomach Bitters. It has been
before the public for fifty years, and
has always been found safe and reli-
able in cases of nervousness, insomnia,
indigestion, dyspepsia and malaria,
fever and ague. It therefore occupies
the foremost position in the list of
household remedies, and no family
should be without it.

land Tidings, Jan 4: After an annoy-
ing and vexatious delay of two weeks,
the Southern Oregon Oil Co, succeeded
yesterday in raising to the surface the
3000 feet of wire and line, for which
they have been persistently "fishing." The
wire had been coiled and knicked
in knots innumerable, which made its
recovery very difficult. The company
is very anxious to continue drilling
until it reaches sea level, which is
about 500 feet below the depth now
attained. The stockholders' meeting
and election of a board of directors oc-
curs next Tuesday and the manage-
ment, in view of this fact, has decided
to shut down operations until the new
board is selected.MILITARY CLUB MEETING.—The
winter monthly meeting of the Eu-
gene Military Club was held in the
armory last night. After allowing a
number of bills and transacting other
business the board of trustees met and
elected Chas Griffin chairman of the
board and Chas F E Taylor business
manager of the club.WANTED.—Intelligent young men

THE SOCIAL REALM.

Rehearsals for the reproduction of
"Santiago" by local talent under the
auspices of Co A, will be held tonight
and tomorrow night, and by Friday
night the players will be in shape to
put the performance on as good or
better manner than before. Many of
the merchants and clerks who were
unable to attend the first performance
on account of it having been given on
Saturday night will avail themselves
of the privilege of witnessing a splen-
did amateur show Friday night.Mrs F W Prentice at her home, 639
High street, this afternoon entertained
the Ladies Guild of the Episcopal
church the occasion being the
regular social gathering of that or-
ganization. There was a fine at-
tendance and quite a neat sum was
realized for the benefit of the Guild.
The ladies spent a delightful afternoon
over their needle-work, and Mrs
Prentice served a splendid luncheon.Spencer Butte Lodge, I O O F, held
installation of officers last evening in
their hall, W W Allingham, of Coburg,
acting as installing officer.The United Artisans had a banquet
after installation of officers last even-
ing which was largely enjoyed. A
nice program was rendered.

Frank's hall at 8 o'clock at which
