"I suffered for years with kidney trouble," writes Mrs. Phoebe Cherley, of Peterson, Ia., "and a lame back pained me so I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I now am able to do all my housework." It overcomes constipation, improves appetite, gives perfect health. Only 50c at W. L. Delano's drug store.

TO AID WILLAMETTE VALLEY.

Western Oregon Will Have Common Settlers' Rates With Portland and the Sound.

General Freight and Passenger Agent Miller, of the Southern Pacific, has announced that settlers' rates arranged for next month and April will apply to all points on the line of the Southern Pacific in Oregon. This application will be made only through Portland, and it will be in connection with the Union Pacific and O. R. & N. Eugene and every other point on the Southern Pacific lines in Oregon will be on the same basis as Portland, so far as the benefit of the settlers' rates are concerned. There will be no extra charge for the ride beyond Portland.

This is the first time settlers' rates were ever applied to Western Oregon, making these points common with Puget Sound and Portland. Settlers in considerable numbers are already coming into the Willamette valley, and the new rates are expected greatly to augment this movement and extend it to the California line.

From Omaha and Kansas City the settlers' rate to North Pacific common points will be \$25 on second class limited ticket. From St. Louis the rate will be \$30, and from Chicago \$33. These rates will take passengers through to any point on the Southern Pacific lines in this state. Western Oregon is expected to profit very greatly from the new arrangement, which will become effective on the 1st of March and continue at least two months.

Cubans can always look back on the change of rulers as the successful turning point in their career. The turning point in the life of any weak, sickly or nervous person will undoubtedly be when they resolve to try Haeber's Stomach Bitters, for ailments of the stomach, liver and bowels. This splendid medicine will cure flatulency, heartburn, belching, indigestion, dyspepsia and constipation. Thousands of people have been brought back to health by its use during the past fifty years. We therefore urge you to try it. Our private stamp is over the neck of the bottle.
