Progress of Cuba.

Recent statistics show that the ex-
ports from Cuba have been largely in-
creased and the imports decreased
since it came under American rule.
This proves that things are becoming
more settled. Cubans can always look
back on the change of rulers as the
successful turning point in their career.
The turning point in the life of any
weak, sickly or nervous person
will undoubtedly be when they resolve
to try Hostetter's Stomach Bitters, for
ailments of the stomach, liver and
bowels. This splendid medicine will
cure flatulency, heartburn, belching,
indigestion, dyspepsia and constipa-
tion. Thousands of people have been
brought back to health by its use
during the past fifty years. We therefore
urge you to try it. Our private stamp
is over the neck of the bottle.

Curing a Cold.

Baltimore American.
Mr Bilkins had a cold,
It settled in his head,
"Always hit the weakest spot,"
Funny friends have said.

Mr Bilkins coughed and wheezed,
Shivered, sneezed and shook,
Listened to his friends' advice—
This is what he took:

Box of anti-kamnia,
Douched his nose with brine,
Mustard plaster on his chest,
Camphor balls,

Quinine,
Bottle Dr Kellam's Cure,
Onion steam,

Some quills,
Hoarhound tablets,
Licorice,

Anti-ferbrine pills,
Porous plaster on his back,
Spirits fermenti,
Menthol inhalation tube,

Ginger,
Rock and rye,
Bottle of cough syrup

Whisky—just a sip,
Mutton tallow on his neck,
Box of anti-grip,
Vapor bath,

Electric shocks,
Brandy,
Cure for cr up,
Emulsion of cod liver oil,

Ugh!
Some strong beef soup.
Every remedy they urged
Mr Bilkins tried;

Now they say they cured the cold,
But Mr Bilkins died.

THE K. OF P. FUNCTION

Ball in Honor of the Muster
in of Vernon Co.

OTHER SOCIAL NOTES.

Vernon Co, No 3, Uniform Rank,
Knights of Pythias, was duly must-
ered in last evening in the I O O F
temple by Col Will E Rapson, of the
Washington brigade, assisted by
Col F C Plummer, of the First
Washington regiment, and James A
McKibben, of Portland.

By 8:30 o'clock the secret work and
ceremonies of mustering in were fin-
ished and the company was marched
to the armory where a good sized au-
dience watched the men in their bril-
liant uniforms go through various evo-
lutions under the command of Capt C
Kaufman. For a newly organized com-
pany, they did exceedingly well, and
the almost faultless manner in
which they executed the various com-
mands reflects credit upon Capt Kauf-
man, and elicited hearty applause
from the onlookers.

After the company had been dis-
missed the orchestra struck up the
grand march which was led by Col
Rapson and Mrs J S Luckey. The
remainder of the evening was spent in
dancing. Eugene's swell set attended
in large numbers and the ball was
voted a success.

SPRINGFIELD MILL.

Machinery From Saginaw to Be
Moved Down.

PROBABLY ANOTHER MILL.

The GUARD is reliably informed that
the Booth-Kelly Lumber Co has let the
contract for the hauling by team of a
large amount of machinery from their
Saginaw mills to the Springfield saw-
mill which they purchased last spring.
It is stated that the cost will be much
less to bring the machinery down by
team than by rail.

At the time of the purchase of the
Springfield mill it was the company's
intention to enlarge it and make quite
a number of improvements on the
property, and no doubt the hauling of
this machinery down from Saginaw is
the beginning of these improvements.

It is stated also that at the meeting
of the stockholders of the company to-
day the matter of erecting a mill on
the big tract of timber land recently
purchased by them on Row river,
above Cottage Grove, was seriously
considered. It has been stated before
that one of the Saginaw mills will be
moved to that tract. This may be the
case, but it is more likely that a new
mill will be built.

The new Bohemia railroad will have
a spur several miles long extending to
this tract of timber land.

MEETING OF STOCKHOLDERS.

Booth-Kelly Co. Chooses Directors
and Officers.

The annual meeting of the stock-
holders of the Booth-Kelly Lumber Co
was held in the company's office to-
day. The stockholders met this fore-
noon at 10 o'clock and have been to-
gether all day discussing the business
affairs of the corporation.

The old board of directors as follows
was re-elected: John F and Geo H
Kelly, R A and J H Booth, G X
Wendling, A J Hechtman and F H
Buck. The directors met and retained
the old officers who are: John F
Kelly, president; F H Buck, vice pres-
ident; J H Booth, secretary.

It is understood that very important
matters are being taken under consid-
eration by the company at this meet-
ing, but Hon R A Booth, when seen
this afternoon, stated that nothing
could be given out to the public at
present.

DIED.—J F Mummery died this
morning at 1:45 o'clock at his home in
Fairmount from heart trouble. He
was aged 75 years, and had been ill for
some time. He has been a resident
here for a number of years and is the
father of W B Mummery, of Spring-
field, and Ned Mummery, of Fairmount.
The funeral will occur from the resi-
dence Saturday at 10 a m to the I O O
F cemetery. Rev B F Rowland, of
the M E church, will conduct the ser-
vices.

DIED.—Mabel, the infant daughter
of Mr and Mrs Wm Mathers, died
near this city January 16, 1902. Fun-
eral was held today and interment
