A SAMPLE OREGONIAN "ANSWER."

A correspondent who evidently was not aware that the Oregonian would not tell the truth about a public question when there was the faintest suspicion of politics in it asked that paper to give a comprehensive statement as to the causes of the Sampson-Schley controversy. Here is the answer:

Sampson's elevation over Schley by the Navy Department; the wording of Sampson's dispatch, announcing the victory, without mention of Schley's name; the zeal of Schley's personal and political friends, together with what non-partisan folk think was lack of judgment; National politics, and a little too much of the old sectional spirit. Schley is from the South, Sampson from the North.

So far as the facts and public sentiment are concerned the only truth in the above "answer" lies in the first statement, "Sampson's elevation over Schley by the Navy Department." Unfortunately for Sampson the Spaniards steamed out of Santiago harbor when he was several miles away and the destruction of the fleet fell to Schley, though Sampson is certainly entitled to credit for the disposition of the fleet, made under his direction as ranking officer. Schley did the fighting while Sampson got the reward—at least to the extent of a ranking appointment, made possible through having a brother-in-law at the head of the navy department. All the Oregonian talk of politics and "North" and "South" is simply the usual "Oregonian politics"—total inability to deal fairly with any question wherein it smells the slightest scent of politics or possible political advantage.

TRIES A NEW PULL ON MILKMEN.

Dairy and Food Commissioner Bailey is having a hard time trying to force Portland milkmen to furnish a pure and unadulterated article. But he is not discouraged. If he cannot drive them in the path of honesty, he hopes to force them to keep in the straight and narrow path through self interest. Here is his latest idea:

If the law cannot find these fellows guilty, I will devise a new scheme whereby customers being imposed upon by dishonest dealers may be protected. Every day between the hours of 10 and 11 a m I will receive samples of milk and test the same free of charge. I will show buyers just what they get for their good money, and if milk is found adulterated or butter is found short weight or worked over, then it is the customer's own fault if he continues to patronize the dealer from whom it was obtained. This way a milkman would soon be found out, and the result no doubt would soon lead him to change his methods, else into bankruptcy.

EXPENSIVE EMPIRE BUILDING.

The Anglo-Boer war has been going on just two years and three months. And this is about what it has cost Great Britain up to this time:

Total deaths from all causes	19,000
Total sent home as invalids	64,330
Total expenditures to end of fiscal year	$750,000,000

Even if the conquest of the two Republics was complete today, Great Britain would have paid nearly $5000 per square mile for the 163,500 square miles of the annexed South African territory, and more than one British soldier has been killed, maimed or invalided for every Boer soldier put in the field.

Perhaps this is not a price that "staggers humanity," but it is certainly one that should stagger the British people.

The occasional cases of smallpox throughout the Northwest have a fitting comment in a statement made by the secretary of the Minnesota State Board of Health. He declares that as the preventive value of vaccination has been thoroughly demonstrated, that every person found with smallpox should first be cured, then sent to jail for ninety days. He says there is no excuse for smallpox in civilized countries.

A curious accident happened up in Montana the other day when the beef a butcher was skinning broke the rope that held it and fell on the man driving the skinning knife through his thigh, coming very close to the artery.

GIRL WANTED.—Cooking and general housework. Apply to Professor Lachman's, No 374 East Eleventh street.

The man who can hardly crawl, and has just strength to get through a day's work, has no strength left for family life. He wants to be quiet; to be alone, out of sight and sound of everybody.

What a difference between such a man and the healthy, hearty man, who romps with his children and rules his laughing baby to "Banbury Cross."

What makes the difference? Usually disease of the stomach, involving the entire digestive and nutritive system.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. When these diseases are cured the hindrance to the proper nourishment of the body is removed and strength comes back again.

"I am happy to say I am getting to feel fine," writes A. J. Vanderwater, of No. 75 [illegible] street, Chicago, Ill. "In all I have taken [illegible] of Golden Medical Discovery and four or five vials of the 'Pellets.' They have done me worlds of good. These medicines have brought the great change to me from a slow mope of a man that could hardly crawl, tired and sick all the time, and could do no work, into I can work, sleep, eat, and feel fine, and the tired feeling is all going away. I am very thankful that I wrote to Dr. Pierce. His 'Golden Medical Discovery' and his little liver 'Pellets' have almost made a new man of me. I feel young as I did at thirty years. No other doctor for me, only Dr. Pierce."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent *free* on receipt of 21 one-cent stamps to pay expense of mailing *only*. Address Dr. R. V. Pierce, Buffalo, N. Y.

The Fuel of the Future.

The question has been worrying many people who fear that the coal supply is becoming exhausted, but there is no need to worry, however, as a substitute has been discovered in petroleum. In nearly all of nature's products we find that as soon as one material becomes scarce another is discovered to take its place. There is one exception, and that is Hostetter's Stomach Bitters. It is nature's own remedy for all stomach, liver and bowel complaints, and during the past fifty years it has been impossible to make a better medicine. It cures indigestion, dyspepsia, constipation, nervousness and malaria, fever and ague. If you have never tried it, do so today. It cannot help but do you good. Our private die stamp is over the neck of the bottle.
