Registration of voters is not progressing as rapidly as desired by the county clerk and his assistants. A Bursted Water Pipe

Is always a source of great annoyance and expense. Why not have them properly placed with stops and wastes in the right place, so they can be shut off and drained, leaving your water pipe clear as a whistle. Will M Morrow, the up-to-date plumber, at No 489 Williamette street, will attend to this.

A good start was made, several good subscriptions being received from the leading merchants, but as Mr Stevens was called away to attend a case the work was postponed until tomorrow.

The Salem Journal wants the office of attorney general and district attorney abolished, claiming that they are not needed. As a matter of fact there isn't very much in the offices. The attorney general gives principally opinions, which are sometimes needed, a most of the business of the district attorney is done by deputies, who could just as well be county attorneys and attend to all the business.
