SATURDAY - - FEBRUARY 1

HON GEO E CHAMBERLAIN.

In an editorial on the governorship the Portland Daily Telegram, republican says among other things:

"The, while there promises to be a very determined; not to say a desperate struggle in the Republican convention over the nomination for the head of the ticket, all Democrats, of whatever class, condition or opinion otherwise, seem to agree upon one man as their choice for the gubernatorial nomination. He will make no effort to obtain the nomination, is not desirous of it, but it is presumed will not decline it. He will go into the campaign with the prestige of unusual if not unprecedented popularity and political success. Ten years ago, though the state was then heavily Republican, he was elected Attorney-General, and in 1900 he was elected Prosecuting Attorney of the district, which was Republican on National issues, by 5000 majority of the votes cast in this county. It is quite natural, therefore, especially since the duties of his present office have been faithfully performed, that the Democrats should unanimously turn to Mr Chamberlain as their nominee and only hope next June. Whether there is any reasonable ground for such a hope can be better judged after the conventions have been held. A large number of Republicans have voted for Mr Chamberlain before, and might do so again, especially if the factional feud reached the vendetta stage.

Professor Pearson of the Northwestern University Chicago, who was responsible for such a furor through pointing out Biblical inconsistencies says he believes "in Christ, in prayer, and the power of the Holy Ghost." Yet that is not enough and he will have to go. The world moves, even though Galileo was forced to recant.

Nearly every town in the state makes monthly collections on Monday when the first day of the month falls on Saturday, as today. It would be much to public convenience if Eugene people would adopt the rule. They usually have to finish the work Monday, so all the work might as well be done then.

Duluth, at the extreme west point of Lake Superior, the westernmost of the "Great Lakes," gets hard weather. When a Swede was asked about Duluth climate he replied that "Duluth, Minnesota, has nine months of winter, and three months of summer late in the fall."

The new British army uniform is somewhat similar to the German, also the new postage stamps in color and design. Thereat patriotic Englishmen who do not like the idea of becoming a tail to the German kite passionately declaim.

Portland hung Wade and Dalton just two months and ten days after they murdered James Morrow. They were tramps. Other as cold-blooded murderers with money and friends have gone free in the Oregon metropolis.

Oregon people are entitled to the protection of Oregon forests during the dry season. The rangers should not be replaced by eastern dudes who do not know a fir tree from a pack saddle.

The Greeks crop but half their tillable land in any one year, the other half going fallow.

AFTER THE PROPOSAL.

HE—Do you think your mother will be surprised?
SHE—Yes, indeed. She was saying only this afternoon that she didn't believe you'd ever get up the courage to propose.—Judge.

IN TIME OF NEED.

BROWN—You never know the worth of a wife until some great trouble befalls you.
MERRITT—Yes it's so nice to lay the blame on her.—Tit Bits.

THE BOY KNEW BETTER.

PRENOLOGIST—Boy, you have a remarkable memory.
Boy—Please, sir, write it on a slip of paper for me not to forget it.—Fun.

FOR HIS HEALTH.

SMITH—Hello! Fine day! Are you out walking for your health?
SMYTH—Yes; I am going to the doctor's.—Indianapolis News.

Notice to Tax Payers—New Tax Law.

At the last session of the legislature a new law was passed in regard to the collection of taxes, which law took effect on December 1st, 1901, and in substance is as follows:

1. If you pay your taxes on or before March 15th you will be allowed a rebate of three per cent.

2. If you pay your taxes between March 15th and up to and including the first Monday in April there will not be any rebate and neither will there be any penalty or interest added.

3. If your taxes are not paid on or before the first Monday of April, they will become delinquent, when there will be added a penalty of 10 per cent, and the tax will also draw interest at the rate of 12 per cent per annum in addition to the penalty.

4. If you pay one-half of your taxes on or before the first Monday in April then the remaining half may run up to and including the first Monday in October following; but if the last half of tax due is not paid by the first Monday of October, it becomes delinquent, and there will be added to such balance, a penalty of 10 per cent, and in addition, such balance will bear interest at the rate of 12 per cent per annum from the first Monday in April until paid.

5. On all personal property taxes if one-half is not paid on or before the first Monday in April, the law compels the sheriff to levy upon and collect the same after May 1st, hence to prevent a levy upon personal property after May 1st it will be necessary for one-half to be paid as above stated.

6. The law compels the sheriff to sell all lands on which taxes have not been paid, and that such sales shall not be held later than March 1st of the year succeeding the year in which the tax levy is made.

7. The property will be sold to the person bidding the lowest rate of interest, and certificates will be issued therefor, and deeds given to such property sold, unless redeemed within three years from the date of such sale.

The 1901 assessment rolls will be received at the sheriff's office March 1st, 1902. Any written enquiries regarding 1901 taxes received prior to that date will be filed and promptly attended to as soon as the books are open for payments. In making enquiries as to amount of taxes, if possible, give to whom the property is assessed and a description of the same.

St. Vitus's

Dance, or chorea, is one of the most pitiable afflictions humanity is called on to endure. That this disease can be cured, however, is proven by the fact that it has been cured by the use of Dr. Pierce's Favorite Prescription. The

tranquilizing effect upon the nerves exercised by this remarkable medicine is witnessed to by thousands who have found healing and strength in its use. It not only cures women's diseases, but it promotes the health of the whole body. It is a nerve-feeding, strength-giving, sleep-inducing medicine. It makes weak women strong, women well.

"Favorite Prescription" contains no alcohol and is entirely free from opium, cocaine, and all other narcotics. It cures, discharges with the best of health.

"When my daughter Lillian had St. Vitus's Dance, I happened to get one of your small books from Dr. J. C. Wright, Henry L. Miller, Esq., of New York City, N. Y., containing 'Favorite Prescription' cured Lillian suffering from that trouble, and I went out and got a bottle. She was very bad at that time and could hardly talk. When I read about your medicine in that small book, I said to myself, with the help of God and that medicine we can cure our daughter. We did so. Five bottles of 'Favorite Prescription' cured her, and I did not have to take her to the doctor any more. She is well, thank God and the 'Favorite Prescription' for it."
