DANGEROUS EXPERIMENT.—The pe-
culiar case at Spokane, where a man
has been lying in a hypnotic state
since Tuesday and at last reports no
one had been found who could arouse
him, neither could the culprit who is
responsible for his condition be located,
is just such a case as occurred at Den-
ver several years ago when the subject
was a young lady. These cases are
but another proof of the fact that the
practice of hypnotism as it has been
going on through the country should
be prohibited. In another case re-
cently the subject went insane.

The Sword Discarded.

In the British army the sword has
been discarded, so far as its usefulness
is concerned in modern warfare. A
half century ago it was considered the
best weapon, but the rifle has now
taken its place. At the present time
thousands of people are discarding
their old methods of trying to cure
stomach and bowel complaints, and
are using the old reliable Hostetter's
Stomach Bitters. It has never been
known to fail in cases of indigestion,
dyspepsia, constipation, biliousness,
liver and kidney troubles, or malaria,
fever and ague, and a trial is therefore
recommended. It has been before
the public for fifty years, and by its
record of cures during that time has
firmly established its superiority over
all other remedies. Try a bottle and
satisfy yourself.

Sunday Dinner.

See the Banquet for your Sunday
dinner from 5:30 to 8 p m. Roast
mallard duck and chicken.
Dinner 35 cents.

SPOILING THE FLOOR.—Several
complaints have been made of the poor
condition of the floor of the armory
pavilion for dancing. This condition
is caused by the use of the hall for in-
door baseball. The rubber soled shoes
worn by the boys mar the smoothness
of the floor besides giving it a decided-
ly dirty appearance. Heretofore we
have prided in our splendid dancing
hall but if the floor remains in the
present condition it will not be much
of a pleasure to dance on it. We
understand prominent members of the
Military Club will take steps to
remedy this condition of affairs.

A RUNAWAY.—Lloyd Howe drove
the family team to Cloverdale yester-
day afternoon to take some things to
his brother Oren at the McElroy &
Howe ranch. He left the team stand-
ing outside while he went in. Taking
advantage of their liberty the horses
ran away and smashed the buggy up
pretty badly.

INJURED.—Miss Ella Philippi, who
resides at the corner of East Eleventh
and Oak streets, while standing on a
box in the woodshed, hanging up a
bird cage this forenoon about 9 o'clock,
fell from the box, badly spraining her
right leg near the knee. Dr L W
Brown was called and attended the
injury.

A SUCCESSFUL MARKET.—The mar-
ket conducted by the ladies' aid society
of the First Christian church this after-
noon in W B McKinney's grocery
store was a pleasing success. All the
good things to eat imaginable were
disposed of at a good figure.

LAND SOLD.—R F Baker & Co.
closed a deal yesterday on 108 acres of
land situated four miles north of Junc-
tion City to John F Bennett, of Ne-
braska. Mr Bennett's family will ar-
rive in Junction City some time next
week.
