THE SOCIAL REALM.

The Ladies' Card Club gave a party

Counterfeit Gold.

Few persons know that the gold
used in color printing and on picture
frames is made from a composition
of powder of bronze and spelter, and not
from pure gold leaf, but which, how-
ever gives the same effect. There is
another article that is very much imi-
tated, and that is Hostetter's Stomach
Bitters. Spurious dealers often refill
the bottles, and thus give them the
same appearance as the original, but
unless they have our Private Stamp
unbroken over the neck they are not
genuine. Refuse all such imitations.The genuine Hostetter's Stomach Bi-
tters has an unequal record of cures
of stomach complaints, back of it, such
as dyspepsia, indigestion, constipation,
biliousness, nervousness, insomnia, and
malaria, fever and ague.

you to call on me. No charge for test-
ing eyes. Come while you can get
bargains. J O WATTS.

THE VESUVIUS SOLD.—Nugget: The
sale of the Vesuvius and Milwaukee
claims, on last Monday, consummated a
very important mining deal in the
Bohemian district. This property was
located and developed by the
Graber Bros, and from the present
showing, will eventually prove one of
the most valuable pieces of property in
the district. The mine was banded
several weeks ago for \$17,000 and
shortly afterwards a ledge of immense
value was brought to light, which has
greatly increased the worth of the
property. While the Graber Bros only
received \$17,000 for their mine it is
safe to say that it could not be pur-
chased for ten times that amount. Mr
F J Hard is the promoter of this big
deal and is deserving of congratulations.

"THE TWO ORPHANS."

Another Packed House at the
Opera House Last Night.All who could find either seats or
standing room were at the Parker last
night to witness the Shirley Com-
pany's production of D'Emery and
Carmen's masterpiece, "The Two
Orphans." The old-time favorite re-
ceived a presentation last night at the
hands of Miss Shirley and her company
which was worthy of it. The various
characters were shown in an artistic
manner, and the scenic effects and
costumes were elaborate and gorgeous,
surpassing anything of the kind ever
witnessed here.This evening "Camille" will be pre-
sented. Here is a play which has been
a popular success for the past half cen-
tury and the passing years only serve
to add to its beauty and attractiveness.
Remember the matinee tomorrow
afternoon, and bring the children to
see "The Wyoming Mail."

of the city were crowded, as they al-
ways are while court is in session, but
since it has adjourned the congestion
seems worse than ever. Every room
in the hotels is taken each night and
the proprietor of one of the hotels told
a reporter this morning that he had
to turn away 25 or 30 guests last
night. This indicates that new people
are coming into the city in quite large
numbers already. It seems that a new
hotel would pay.When Your Child
