Although "Scotty" Sharpe is but a middle-aged man he is serving his fifth term in the Washington penitentiary, all for stealing. He must be an easy man to catch, else prefers the place for a home.

Think of an ice gorge in the great Missouri River of such an alarming extent that the water almost ceased running till it was but two feet deep, a ferry-boat being stranded in midstream! What will happen if that gorge goes out suddenly?

The British parliament is getting tougher than even an Oregon legislature. Yesterday the leader of an Irish party not only called the colonial secretary a "liar," but a "damned liar." They should fight it out like Senators Tillman and McLaurin.

The snow blockade on the three northern transcontinental lines has been broken after six days of an almost complete tie-up in the Dakotas and Eastern Montana. While the railroads suffered temporary inconvenience, the great fall of snow assures abundant crops.

A new swimming record was made at San Francisco Wednesday evening when Leary, the crack swimmer of the Olympic Club, swam one hundred and ten yards in one minute and thirteen seconds. That was an average speed of four and one-half feet per second. It does not look possible.

After the bitter fight that has been made on Senator Simon by the Oregonian "independent" crowd it may be that the Simon minority will not readily "harmonize." That minority had fifty-seven votes to one hundred for the opposition. It is likely that the independents will hear something drop in June.

The tobacco interests are having merry war over in England. The American company has given notice that it will not only divide its net profits for the next four years pro rata to customers, but will divide a $200,000 bonus yearly among its trade. This hiring a dealer to trade with it should prove very popular.

Colonel Grimm, a Russian officer, feels grim, and doubtless wishes he had confined his love-making to his own family. The colonel is under sentence of death for having revealed Russian war secrets to Germany. The discovery was due to Colonel Grimm's wife, who denounced her husband in revenge for his having paid court to another woman.

Russian diplomacy meets the British-Japanese alliance half way with the great fib that for years the Russian government has sought to secure the identical purpose, the maintenance of the status quo in Eastern Asia. Of course Britain and Japan do not believe it. In the meantime all their governments are preparing for the struggle that must come.

General Miles puts the Roosevelt administration in a hole, as it were, by giving notice that he will resign his commission as general of the army should congress pass the administration bill giving the war department virtual command of the army. He says "the bill is utterly subversive of the military establishment." The administration will do a good deal of hard thinking before they force the old general out.

The Portland Telegram is thinking of what may come from the smashing of the Jo Simon ring and supplanting it with the Oregonian ring, when it remarks that the county convention "should have divided favors somewhat more and given more recognition to Senator Simon and his friends, who after all are very good Republicans and must be counted on." "Counted on!" There's the rub.

The doctor sometimes passes a harder sentence than the judge. But the sentence of the doctor is more often set aside or overruled than is that of the judge. In the case of Mrs. Reycraft given below, the doctor sentenced her to about eighteen years of physical punishment and misery. But she rebelled against the sentence, and commenced the use of Doctor Pierce's Favorite Prescription. In a few weeks she was a well woman.

It's a peculiarity of the cures effected by the use of Doctor Pierce's Favorite Prescription, that they are generally cures of chronic diseases. A woman suffers with diseases peculiar to her sex, she takes medical treatment, gets no better, and has no hope held out to her of improvement. Then in her discouragement she turns to Dr. Pierce's Favorite Prescription and finds a prompt and lasting cure. "Favorite Prescription" establishes regularity, dries unhealthy drains, heals inflammation and ulceration and cures female weakness.

"Four years ago my health began to fail," writes Mrs. Nellie M. Reycraft, of Glenwood, Washington Co, Oregon. "I had a very heavy dragging and weight in the region of the uterus, pain in back and loins, could not lift anything heavy, rest at night very poor; stomach deranged. One physician said I was overworked, another said I had congestion and falling of uterus. He treated me nine months and said I would not be well until I had passed the change of life. I was only twenty-seven years old then. I became discouraged, and began using Doctor Pierce's Favorite Prescription. Took a few spoonfuls three times a day; began feeling better right away. Am using my third bottle now, and feel I am in good health. I believe Dr. Pierce's Favorite Prescription has restored me to health. If suffering women would give it a fair trial they would give it praise."

Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent *free* on receipt of 21 one-cent stamps to pay expense of mailing *only*. Address Dr. R. V. Pierce, Buffalo, N. Y.
