A WET EXPERIENCE.

Rev Hansen and Louie Luckey Upset in Turbulent Wolf Creek.

Rev F L C Hansen, the well known Danish minister of this city, and Louie Luckey had a very wet experience in Wolf creek Tuesday, according to a resident of that vicinity who was in Eugene today.

The reverend gentleman and his companion drove out in a buggy to look after some homestead interests and when they came to the Van Curen ford across Wolf creek, about 80 miles from Eugene, they found the stream to be roaring torrent on account of the recent heavy rains. They decided to drive across, however, but hadn't gone only a few feet until the horse was forced to swim and the buggy was afloat, and the whole outfit went down stream at a rapid rate. The buggy turned over and the occupants had difficulty in reaching the shore. The horse swam to dry land with the front wheels of the rig but the remaining parts were not fished out until next day. It was a close call from drowning. It is said Rev Hansen could not swim a stroke.

New Schools in Cuba.

Since the American occupation of Cuba 3,000 new schools have been opened, and many reforms have been brought about in their educational system. Some idea of their work can be obtained from their exhibit at the Pan-American exposition, for which they were awarded five gold and four silver medals. This is certainly a wonderful record and one we should all be proud of. There is also a wonderful record behind Hostetter's Stomach Bitters, the famous American remedy for indigestion, dyspepsia, flatulency, biliousness, nervousness and insomnia. If you are troubled with any of these ailments we would urge you to try it. It is also a splendid blood purifier and should be in every household. Our private stamp is over the neck of the bottle.
