A LIBERAL GOVERNOR.

The governor of Arkansas is somewhat liberal in supplying Massachusetts with an object for her philanthropists to exercise their talents on. He has just pardoned a negro convict, sentenced to three years in the penitentiary for an assault with intent to kill, on condition that the negro shall remove his residence to Massachusetts within thirty days after his release. The governor ironically states:

I have just returned from the north where I heard many expressions of sympathy by the citizens of Massachusetts for what they were pleased to call the poor, oppressed negro of the south. I desire that they shall have an opportunity to reform at least a portion of the negro population of our state.

BALLOON ASCENSIONST'S FATE

It comes to all of them sooner or later—the aeronauts who attempt to overcome the laws of gravitation with the aid of gas-inflated balloons. The Brazilian Severo is the last victim, and by a coincidence his death occurred not far from where Santos Dumont is experimenting with an airship. A Paris dispatch of May 12 tells the story:

The tragic death of the Brazilian aeronaut Severo early this morning shocked Paris, Severo started from his balloon shed about 6 o'clock. His balloon ascended easily and had reached an altitude of 500 yards when the few pedestrians in the streets saw a volume of gas escaping from the balloon and the aeronaut standing in his ship gesticulating wildly. The next moment a frightful explosion occurred as the escaping gas was ignited from the petroleum motor. The balloon was blown to shreds and its occupants, enveloped in flames, fell like a shot to the stone pavement. The bodies of both Servero and his assistant were dashed to pieces. Mme Servero witnessed the tragic death of her husband.

Mount Pelee volcano does not propose to go out of business with the destruction of a large city, with its inhabitants, and the devastating of a rich agricultural section of the island of Martinique. The latest report says lava continues to stream down the mountain side, accompanied by terrific thunder and lightning.

That is a big strike in the Pennsylvania anthracite district, where one hundred and forty thousand men and boys are idle. The miners have timed their strike for the season of the year when the industries of the country must have coal in order to meet manufacturing demands.

It is well that we are ninety odd millions of miles away from the sun. The Royal Society of Great Britain has announced a new determination of the heat of the luminary. It is made by Professor Charles Wilson, who places it at 11,192 degrees Fahrenheit.

John P Morgan's commissions for forming trusts during the past few months reach the very neat sum of one hundred and seventy-two million dollars. Where is this money to come from? Can it come from any other source than the producer?

The House of Representatives very properly doubled the Senate appropriation for Martinique sufferers, making it two hundred thousand dollars. There were nine votes in the negative. Why should any person vote against such a humane measure?

Why go to the expense of holding an election in Oregon? The Oregonian has settled the matter with the positive statement that the Republican ticket will be elected by ten to fifteen thousand majority. A great paper, truly!

Five years ago Furnish was a Democrat. Now he is the Republican candidate for governor. Has anyone the faintest idea that he would have been nominated had he been a poor man? We think not.

The young emperor of Spain will soon come to his majority, sixteen years of age. He cannot make a worse showing than his predecessors, boy though he is.

FURNISH A 6-YEAR-OLD.

Portland Journal.

The latest is Mr Colvig, a former Democrat, for Furnish. He is not quite up to Mr Furnish's class though. Colvig is only a 2-year-old.

If you have not registered with the county clerk at the courthouse do so right away. Registration closes May 15, then if unregistered you will be put to the trouble of hunting up six citizens to vouch for your citizenship before you will be allowed to vote on election day. It is less trouble to register now than to get the necessary certification on election day.
