A POINTER FOR A FURNISH PAPER.

The Salem Statesman takes up nearly a column to explain Mr Chamberlain's position on the Philippine tariff—something the governor of Orgon has nothing in the world to do with.

The people of Oregon really desire to elect a governor who will give an economical administration, which means lower taxes for every taxpayer in the state. How would it do for the Statesman to post its readers about Mr Furnish drawing $9651.84 from the Federal treasury for taking whiskey-to-Indian sellers to Portland during the two years he was Deputy United States Marshal at Pendleton? And that was all the business there was connected with the position he held. Nothing but whiskey-to-Indians business.

Then the Statesman could supplement that noble record—for a prospective governor—with an account of the $25,000-a-year fees he managed to draw out of the Umatilla county treasury as sheriff—a county no wealthier nor more populous than Lane.

If the Statesman should give its readers such information—"if," we say—it would not have the nerve to again ask a single elector to cast his vote for Furnish.

There is one consolation about the big Pennsylvania coal mine strike. While it will greatly injure manufacturing enterprises and dependent labor it comes at a season of the year when the poor will not suffer physically from lack of fuel.

There is one disgusted tramp in this country—the one that robbed young Hamilton at the muzzle of the revolver, Sunday night, and got twenty cents. Such luck is enough to make him go out of the business.

Spain needs a king of sixty. She gets a boy of sixteen.

UNHAPPY MARTINIQUE.

Mount Pelee is in eruption again, the outbreak of Wednesday being more violent than the first. The high basaltic pillars of the St Pierre cathedral that withstood the first eruption were hurled flat to the ground. A Wednesday afternoon dispatch says:

The bombardment of volcanic stones is not sufficient to account for this, and all evidence points to the passage of a furious blast of blazing gas, traveling at enormous speed and with incalculable force. The deposit of boulders, ashes and angular stones is enormous. Not a human being saw what happened at St Pierre yesterday morning. Fort de France is overwhelmed.

Those that ask justice should do justice. The Portland Telegram is responsible for the statement that if the planing mills strike is not settled by the mills by Saturday the railway and steamboat employes will be asked to join in the strike—sympathetic on their part, as they have no dispute with their employers. Of course this will tie up general business to a great extent and prove detrimental to thousands of laboring people. The strike managers will lose public sympathy if they resort to such an unjust measure.

In thirty-seven of the United States, a married woman has no legal right to her children. In sixteen a wife has no right to her earnings outside of the home. In eight, a woman has no right to her own property after marriage. In seven, there is no law to compel a man to support his family. It is needless to remark that a woman can't vote.

BRAGGED OF HER KNOWLEDGE

"Do you know anything about hypnotism?" asked the girl in the pink waist.

"Well," replied the fluffy-haired maid, as she held up her hand to display a sparkling solitaire to better advantage, "you can judge for yourself."

WHITEAKER'S ADDITION TO EUGENE—

I have a few lots in this addition within two blocks of the First National Bank.

COLLEGE HILL PARK—

I have 100 lots in this addition. The price now is $50 each. W will advance the price soon. We expect College Hill Park to become the most desirable residence property in or near the city.

HENDRICKS' ADDITION TO COLLEGE HILL PARK—

We have 70 lots for sale cheap in this addition; also 40 or 50 acres of very choice fruit land. I have on this place 1300 young prune trees, about 400 Bartlett pear trees, and 200 black walnut trees, also apples, plums and small fruits. This place has a good farm house, barn and out-houses, and is a most beautiful suburban piece of property. It is known as the Locust Hill farm, and there is no place in the state more beautifully and pleasantly situated.

I am not in real estate business as a business—we sell our own lands only. I employ no agents. Any one desiring to purchase any of this property will find me at the First National Bank. I will be pleased to show property and give prices. I might exchange some of this property for good timber land. Come and see me.

ADDITIONAL BARGAINS.

I have the following farm property for sale:

THE GORDON RANCH.

A farm of 227 acres eleven miles west of Eugene. This property has a house and barn and about 20 acres in cultivation with a small orchard in bearing, and two good springs of living water. Is timbered with a nice second growth of fir and oak timber and is adapted to farming and stockraising. It is a snap at $5 per acre.

WILSON PLACE.

I own the Wilson farm of 144 acres two miles west of Elmira. It has a log house and barn and is covered with timber. We offer this place at $400 for the tract. A bargain.

GRANGER RANCH.

I am offering this ranch of 160 acres for $500. This place has a house and barn and about 10 acres in cultivation. It is 18 miles southwest of Eugene and will make a fine home for some one wishing to go into the stock business.

ACREAGE TRACTS.

I have three ten-acre tracts within one mile of the court house. These places are partly planted in young growing fruit trees and are very desirable for one who wants to live in the country and yet enjoy the benefits of city life. Just outside the city limits. Price on these lands, $100 an acre.
