DEXTER NEWS.

Closing of Trent School and Other Items.

Special to the guard.

DEXTER, June 12.—Mr and Mrs J. L. Smith of Pleasant Hill visited at Jesse Holbrook's Tuesday. Mrs. Holbrook's mind is seriously deranged. Her mental condition showing little or no improvement.

A number of the young people went to Salem on the excursion. They all report a very enjoyable time.

C. M. Parker has purchased a fine \$200-vehicle which he will put on the road the first of July, when he will be prepared to give the traveling public first class accommodations.

John Parker has gone to Silver Lake with Porter's cattle. However, we prophesy that he will not tarry long as Zion hath more charms for John than all Bonchgrass.

S. H. Friendly has rented his farm at Trent to a Mr. Stroud of Camp Creek. We are very sorry to lose Mr. Mooney's folks as neighbors and hope they will find another location in this neighborhood.

The Trent school closed Friday, June 6. Misses Georgia Parker, Fannie Cornelius and Mary Mooney were successful in passing the 8th grade examination. The graduating exercises will be held at the Trent school house on Friday evening the 13th. All are cordially invited to attend.

The usual crowd attended the Pleasant Hill picnic. The day was all that could be desired and they enjoyed themselves heartily.

Unveiling Ceremonies.

Eugene Camp, Woodmen of the World, will hold exercises Sunday, June 22, as follows: Unveiling of monument erected to the memory of W. P. Fisher, Oak Hill cemetery, 10 a. m. Unveiling of monument of I. K. Peters, I. O. O. F. cemetery, Eugene, 3 p. m. Memorial exercises at 8 p. m. at the Methodist church. Address by Rev. B. F. Rowland. Public cordially invited to all of these exercises.

McChesney at \$10,975 and the other by I. F. Conn, at \$10,400. The contract was let to Mr. Conn. Under it the building is to be of six rooms. Two school rooms and recitation room are to be completed, the others to be finished as needed. The bid includes sewerage, plumbing and heating apparatus.

W. R. P. L.—The ladies of the W. R. P. L. will meet tomorrow (Saturday) afternoon, at 2 o'clock, with Mrs. Aleck Cockerline.

Killed Under Electric Car.

Special to the guard.

PORTLAND, June 13.—Dr. McDaniel of this city slipped and fell under the wheels of an electric streetcar this forenoon. He was instantly killed.

Trusted Employee Went Wrong.

Special to the guard.

NEW YORK, June 13.—A trusted employee of the Western Union Telephone Company embezzled \$16,000 from the company and fearing investigation of his account has disappeared.

Cuban Reciprocity.

Special to the guard.

WASHINGTON, June 13.—President Roosevelt sent a special message to Congress today advocating the enactment of a law providing for reciprocity trade relations with the Cuban republic.

Penitentiary Escapes.

Special to the guard.

SALEM, June 13.—The officers and their posses in pursuit of the escaped penitentiary convicts Tracey and Merrill, are baffled in the chase, having lost all trace of the men.

The bloodhounds, never a success to any notable extent, have as little success in tracking the fugitives as the men.

The militia companies have been recalled to their homes. The sheriffs of Marion and Clackamas counties are still on the hunt searching for clues, never too plain since the men disappeared in the brush of Mill Creek near the penitentiary grounds.

Many hold the opinion that the men are being cared for by friends and will remain in concealment until the excitement ceases, and their hair grows out, then leave the country.

Death on the Rail.

Special to the guard.

NASHVILLE, July 13.—Through a collision of passenger trains on the Nashville, Chattanooga and St. Louis Railroad five persons are dead and sixteen injured.

DASHED INTO THE SEA.

A Stage Team Runs Away and is Drowned.

GARDNER, June 13.—The Coca Bay & Gardner stage line had quite an accident on the beach a few days ago.

Four horses were hitched on to the stage, one of the four not being driven on the team only occasionally became frightened and the infection spread to the others, whereupon they made a wild dash into the ocean. The leaders became loosened from the others and came out, the coupling pole broke and the wheels dashed on to their death with the front wheels. The driver, Milton Cully, sprang out and swam ashore. The hind wheels and box were recovered. The drowned horses and front wheels will likely be washed ashore by an incoming tide.

Y. P. C. A.—There will be a meeting of the Y. P. C. A. at the Methodist church Sunday, June 15 at 6:30. Dr. Elliot and Rev. H. S. Templeton, both of Portland, will deliver appropriate addresses. Good music will also be provided. The young people of the various churches especially urged to attend. C. N. Converse, secretary.

THE STREET FAIR. REUNION HAS ENDED.

Will Be Held September 10, 11, 12 and 13.

MEETING THIS MORNING.

At a meeting of a number of business men at Mayor G. R. Chrisman's office this forenoon it was decided to hold the street fair and carnival on Wednesday, Thursday, Friday and Saturday, September 10, 11, 12 and 13.

E. J. Arnold, a street fair promoter and owner of several attractions, was present at the meeting, as was also Mr. Frost, who has been in the city several weeks in the interests of the proposed fair.

All those present seem very enthusiastically in favor of the fair, and it will be so.

Mr. Arnold has such amusements as the following, all of which he will bring to Eugene for our carnival: Balloon ascension, Edison's big electric show, Turkish actors, German village, merry-go-round, ocean wave, miniatrels, etc.

CALL FOR MEETING

Mayor Chrisman has made a call for a meeting of citizens Tuesday night as follows:

A meeting of citizens interested in the street fair is hereby called at the opera house for Tuesday, June 17, at 8 p. m. sharp for the purpose of organization.

G. R. CHRISMAN, Mayor.

A PIONEER LADY GONE.

Mrs. J. M. Gearhart Died Thursday Afternoon.

Another one of Lane county's pioneer settlers has passed to the great beyond.

Mrs. J. M. Gearhart died Thursday afternoon at 4:25 o'clock at her home 13 1/2 miles west of Eugene, from a three years' illness from heart trouble.

The funeral was held this afternoon at 3 o'clock and the remains were interred in the Mulkey cemetery.

Mrs. Gearhart was aged 52 years and 28 days. She was born in Cooper county, Mo., and was the daughter of J. B. and Julia A. McPherson, long ago deceased. Mr. and Mrs. Gearhart came across the plains in 1852, locating on the farm where Mrs. Gearhart died. Besides her devoted husband, the deceased lady leaves one daughter, Mrs. Mary McCollum, who resides five miles west of town, and one brother, L. F. McPherson, both of whom were with her at the time of death. Besides these she leaves many warm friends who deeply sympathize with the sorrowing husband, daughter and brother.

Grand Senior Warden—Thomas Gray, of Portland.

Grand Junior Warden—W. H. Finlayson, of Grants Pass.

Strawberry Bargain.

Nice fresh strawberries, six boxes for 25 cents at Ax Bily's Department Store.

SCHOOL PICNIC.—The Bally school closed today with a nice program rendered by the school under the direction of Miss Susie Smith, of Eugene, teacher. The exercises indicated careful training, and the children acquitted themselves with credit, while the sumptuous dinner which followed was amply satisfactory to the most fastidious. Miss Smith has taught a successful term which was very pleasing to the patrons of her school.

PROHIBITION ALLIANCE.—The Prohibition Alliance will hold its next meeting on Friday, June 20th, at 9 p. m., instead of June 13th. The meeting will be held in the lecture room of the Christian church at which time an interesting program will be given. The public is most cordially invited. F. E. Billington, President.

A PARADE.—The Eugene Soap Co. is nothing if not enterprising. As a means of advertising their soap they had about 50 small boys parading the streets this afternoon with caps and banners with the names of their soap printed thereon. They were headed by a boy with a drum and they made plenty of noise.

Election of Officers Was Held This Morning.

RESOLUTIONS ADOPTED.

The most successful reunion ever held by the Lane County Veterans' Association came to a close this forenoon when officers for the coming year were elected.

The business meeting was called to order at 9:30 o'clock by President John Ingham. After the minutes of the 1901 reunion were read and adopted, Comrade Miller read a set of by-laws and it was moved and carried that they be adopted as the rules governing the association.

Resolutions of thanks and condolence were introduced by Comrade Miller and adopted.

Nominations for president were then made as follows:

Comrades Lincoln, Miller, Ingham, McReynolds, Jennings, Shelley, Yerington. On the third ballot Comrade W. H. Lincoln was chosen and on motion the election was made unanimous. For vice president, Comrades H. L. Rupp, J. M. Shelley and Frank Reiser were nominated and elected unanimously.

Secretary and treasurer are appointive offices and will be filled by President Lincoln.

It was moved and carried that the next meeting be held in Eugene in the month of June, the exact date to be decided upon later.

It was moved and carried that the executive committee be instructed to confer with the railroad company in regard to reduced rates to the next reunion.

RESOLUTIONS.

Comrade Jennings introduced the following resolutions which were adopted:

WHEREAS, President Roosevelt has administered the affairs of government in an able and fearless manner, therefore, be it

RESOLVED, By the Lane County Veterans' Association that we have the utmost confidence in the wisdom, patriotism and justice of our President and assure him of our undivided sympathy and support in all his official acts, and especially in upholding our flag in the Philippines, and the suppression of trusts at home.

LAST NIGHT'S MEETING.

A great crowd attended the annual "campfire" at the opera house last night. The meeting was presided over by Comrade John Ingham, who introduced the various speakers and performers of the evening. Speeches were made by Comrades Shelley, Griffin, Hillegas, Hopkins, Lincoln, Jennings, Chapman, Thompson and Miller, there was an instrumental solo by Miss Pearl Davis and Roy Pope; Miss Constance Handaker recited; W. Gossett and son played an instrumental duet; Harry Hopkins rendered a vocal solo; Mr. and Mrs. A. Yerington and Col. Straight sang a trio and the Fourth Regiment band discoursed a couple of selections. It was indeed an enjoyable meeting.

CRATER LAKE BOILING.

According to Reports of Recent Arrivals.

Medford Oregonian: Crater Lake is beginning to boil and steam, according to reports of recent arrivals. Although none of those interviewed have seen the lake itself, they claim that clouds of steam could be seen ascending from where the lake is located. As the volcanic eruptions of Pelee have already kindled so many fires in other craters, some believe it may be responsible for the boiling of Crater Lake, if reports are true.

MARRIED.—Miss Mary Emmerick and Guy Lane were married by Rev. Father Beutgen at the Catholic parish Tuesday, June 10. They are residents of Creswell, the bride being a former pupil of the Catholic academy here.
