SOLDIERS RETURN.

None the Worse for the Wear of Six Days in Camp.

Eugene's quota of soldier boys arrived here this afternoon apparently safe and sound after their six days roughing it in camp at Albany. The lads and their new khaki uniforms do not look as bright and sleek as when they left a week ago; but they all say the encampment was good and everybody enjoyed it as long as it lasted. About the only complaints heard are those pertaining to the rough parade grounds and the poor drinking water. However there was but little sickness among the Eugene boys. Lieutenant Chas Griffin being the only one seriously ill. Judging from the looks of their skin, one would say the boys must have met with much dust and hot sunbaths. A number of people were at the train to welcome the boys home. At the Armory the ladies of the W R P L served lemonade.

TOLD IN SIDE HEADS

MONEY APPLIGATE.—Klamath Falls Republican: "Last week I D Appligate received a letter from his son, Money, who has been at Manila, P I, for more than a year. He is doing exceedingly well there. He went to Manila to accept a clerkship, in which he was promoted and well paid, but has recently resigned that position to follow a still more lucrative business, importing and selling horses. In this line he has every prospect of soon becoming rich. He reports that there are now excellent opportunities in the Philippines for men with some means."

THE CROPS.—In the regular weekly crop bulletin of the Oregon Weather Bureau J C Brattain, of Springfield, sends the following report from Lane county: "Friday and Saturday were quite warm, but I do not think any damage resulted; hay mostly housed except late grain which is not yet out. Hops are growing finely at present; corn is making a good growth; fall wheat generally will soon be ready for the binder."

IOWA ASSOCIATION.—A few members of the new Iowa Association met last evening in the office of Rowland & Simmons, real estate dealers, and decided to hold a meeting in the city park Saturday afternoon, Aug 2, at one o'clock, to perfect an organization. Many new names have been added to the roster of the association recently and when organization is completed it will have a very large membership.

The wedding was a quiet one, only a few being present. The newly married couple will reside at Jasper.

TO GRANTS PASS.—John J Hess and wife left this afternoon for Grants Pass where Mr Hess has purchased the business of the parcel delivery system being conducted there by N E McGrew. A wagon in charge of W P Gardner and Chas Nicklin left overland this morning for Grants Pass to be used in the business. Mr Hess says he will probably use three wagons.

Should be written on good, taste-
ful stationery. Is absolutely im-
mune to the acceptability of the
missive, is a compliment to the
recipient, and a credit to the sender.

Cheap...

Trashy, letter paper is inexcu-
sable in this age, and betrays sloven-
liness and lack of taste in the per-
son using it.

Pretty...

low prices for such nice things.
