A GRAND SHOW.

Beaty Bros' Moving Picture Show at Parker Opera House.

Beaty Bros, managers, have the only six moving picture machines on earth with diamond projecting lenses. They are Edison's up-to-date 1902 model, which has many improvements, one of which does away with that quiver entirely and makes the pictures more realistic and relieve the eyes from the strain that other kinetoscopes put on them. Theirs are the largest in the world. They also have Thomas A Edison's Giant Concert Polyphone Phonograph which will render a program of music that cannot fail to please everybody. They have received the most flattering press notices everywhere.

Thirty thousand moving pictures given. Among the scenes depicted will be the assassination of President McKinley; the electrocution of Czolgosz; Mrs Nation and followers smashing a Kansas City saloon, colored pictures. President's funeral; Galveston cyclone complete; why Mr Nation got a divorce; A rube's visit to a studio, funniest of all moving pictures. A tramp's dream, a fat and lean man's wrestling match, a mystic picture, the champion acrobatic Craig family of the world, Hooligan's visit to the city park and many others, laughable and sad, humorous and pathetic, instructive and funny.

At the Parker opera house Aug 5th. General admission 25c and 35c. Reserved seats 50c.

Notice.

All Iowa people are requested to meet in the East Park in Eugene next Saturday, August 2nd, at 1 o'clock p.m. for the purpose of perfecting a permanent organization.

By order of committee.
