Albany Jubilant.
 The whole town of Albany is jubilant over the result of Saturday's football game here. The Herald and Democrat say:
 Albany College football team won a great victory at Eugene Saturday, when they held the mighty 'Varsity eleven down without scoring. It places Albany College in the University class. The Eugene papers have looked upon the game as only light practice for the Oregonians, but it was only by the hardest effort that Albany was prevented from scoring in both halves. Coach Edwards, Manager Thompson and the individual members of the team are to be congratulated on their grand work. The championship of Oregon lies between Albany College and the U. A. C. with chances in favor of the former.
 It will be some time before Eugene people get over Saturday's surprise party.
 The top-heavy part of Saturday's game was principally in the minds of Eugene people. The GUARD had predicted a top-heavy score and Coach Dolph said his team would win easily. Capt. Wats said his team was in first-class condition and would win. But Albany outplayed the big University men from the kick-off, the ball being in Oregon territory most of the game and but for numerous unexplainable fumbles by Albany our team would have scored.

Encyclopaedia for Sale.

The GUARD offers a ten-volume Americanized Encyclopaedia Britannica for sale. There are 6002 pages of the work, 96 colored maps of states and countries and numerous illustrations. It is durably bound in sheep and has been well used.
 In this condensed edition of the Britannica special pains were taken, as the name indicates, to give special preference to subjects of American interest, as the same time printing long and prolix articles of all superfluous, though not materially curtailing the presentation of desirable facts.
 This encyclopaedia has been in constant use for several years. It is offered for sale for the sufficient reason that the office has been supplied with a complete Britannica with a five-volume "American supplement."
