The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of **Dr. J. C. H. Fletcher** and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

### Zion Notes.

**Grand Special Service.**  
Zion, Oct. 25.—Rev. R. G. Callison preached to the people of Zion Sunday.  
D. S. Hunsaker is visiting friends and relatives at Zion.  
Hills Bros. are using their donkey engine to good advantage pulling their large logs on upper Lake creek.  
Eiden Teipleman is convalescing slowly, not yet being able to use his legs to good advantage.  
Mr. and Mrs. Jacobs and family made a flying visit to Eugene Saturday. Mr. Jacobs went on to Yamhill county to procure some goats to browse on his grub cake.  
C. M. Parker has had two carpenters employed for some time making an addition and other changes to his residence.  
A young man, of June, went to Co-burg some time ago to get married but returned without the bride. He stated that as an excuse the bride was not old enough by one month yet. It is to be hoped that she will be old enough when he goes that way again.  
We had the pleasure of meeting an old time boy of this place in the person of Bert Parker. Bert has been employed in the Wardner, Idaho, mines for the past five years. At present he is employed in the Anthony creek saw-mill.  
Mr. Mooney has made some needed repairs about his farm and is now doing some ditching.

### Palatine Pointers.

special to the Guard.  
CROW, Oct. 28.—John McCulloch's many friends are sincerely sorry for the accident which befell him some days ago. While driving cattle his horse fell with him in such a manner as to break his leg just below the knee. He was taken to Cottage Grove where he is receiving medical attention.  
We didn't know why it was that James Holland went about with such a smiling face, but the other day we heard that a little girl had come to make her home with him. A boy and a girl, a pretty wife and a new house ought to make any man happy and we don't blame Jim for smiling.  
J. V. Fleck has purchased the Robert Orr place, and recently moved there with his family.  
C. O. Davis and family have moved into the Palestine neighborhood.  
Miss Lila Owen, of Crow, will attend the Palestine school this term.  
Joseph Gates, Jr., has just had his new house fitted out with pipes and drains, S. L. Long & Son doing the work.  
Several loads of salmon have been brought from the Smulaw recently, which retails at five cents per pound. One man has bought out three loads and cleared sixty dollars.  
J. A. J. Crow and family are at Acme visiting with L. F. Crow.  
It is said that a district fair association is shortly to be organized at Crow, to be in readiness for its first session in the fall of 1923. It is easy to see that Crow does not intend to get out of sight of the foremost.
