Big Railroad Increases Wages.
PITTSBURGH, Nov. 13.—The
Pennsylvania Railroad made
public announcement this
morning of a voluntary ten
per cent increase of wages to
employees. The railroad
company says it is justified
in raising the wages of its
men through increased busi-
ness and larger earnings.

The Pennsylvania system
has ten thousand men in its
employ.

Attempted Train Hold-Up.

By Scripps News Association
FRANKFORT, Indiana, Nov.
13.—Four unknown men at-
tempted to hold up a Monon
passenger train six miles
south of this city at nine
o'clock this morning.

Torpedoes had been placed
on the rails, and when the
engineer slowed down the
train in response to the warn-
ing explosions, four unknown
men jumped from nearby
brush and ordered him to
throw up his hands. In re-
sponse the engineer pulled
the throttle wide open and
dropped to the floor of the
engine cab. The men fired
repeatedly at the cab as it
gained momentum, then
through the windows of the
passenger coaches as they
went by. No one was injured.
The sheriff of this county
and a posse left on a special
train for the scene of the at-
tempted hold-up as soon as
notified by the incoming
train, and are searching the
vicinity for the would-be
robbers.

GOLD MINES OF BOHEMIA

**Boston Capitalists Will Make In-
vestments There—New
Discoveries.**

COTTAGE GROVE, Nov. 13.—The
party of Eastern capitalists under the
guidance of George W. Lloyd, of Bos-
ton, which came here over a week ago
and went into Bohemia district to in-
spect the mines there, returned yester-
day. Besides Mr. Lloyd, the party
consisted of A. H. Eaton, of Providence,
R. I.; S. H. Foster, of East Greenwich,
R. I.; and Frank Simonds, of North
Adams, Mass. These gentlemen were
leisurely taken over the district and
given every opportunity to inspect the
principal properties and many prom-
ising prospects. That they were con-
vinced of the vast wealth of Bohemia
can be attested by their subsequent
action. On arrival here 15 in the
afternoon, their first act was to seek
out the telegraph office and wire East.
Mr. Eaton authorized his broker in Bos-
ton to purchase 100,000 shares of Bo-
hemia gold mining stock, and Mr. Si-
monds authorized the purchase through
his friends of \$10,000 worth of stock
in the same company.

The visitors were a unit in expres-
sions of surprise at the vast ore bod-
ies they had seen, and asserted unbounded
faith in the future of Bohemia. Mr.
Lloyd is the manager of the Boston
company's properties, and after hav-
ing made this trip to the district, re-
turns more than ever impressed with
its greatness, and does not regret cast-
ing his fortune with it.

UNIVERTY OF OREGON NOTES

**Track Team Met for Purpose of
Electing Captain. Y. M. C. A.
Delegates.**

The annual state convention of the
Y. M. C. A. will be held at Salem begin-
ning Nov. 14. The University will be
represented by the following girls:
Margaret Banard, Lulu Curran, Nel-
lie Furdick, Alice McKinley, Stella
Armitage, Rosa Dodge, Gene Crawford,
Edith Kuykendall, Elizabeth Logan
and Marie Bradley.

Prof. Sweetzer will deliver the first
of a series of Saturday evening lectures
this coming Saturday. His subject
will be "Mushrooms." The public is
invited to attend.

The members of last year's track
team met at the gymnasium, this
afternoon for the purpose of electing a
captain for the 1903 team. The pro-
posals for a winning team seem very
good. Poley, mile runner on the 1900
team, is in college and will be in the
race in better shape than ever. Of last
year's team Payne, Thayer, Casteel,
Henderson and Sheldon are back.
Clyde Payne was chosen captain.

The first and second teams lined up
this afternoon for their last hard prac-
tice before their games. Both teams
are in good condition. The 'Varsity
will play the football game but
hopes to get over it before Saturday.
About twenty men besides the first
team have been getting out regularly
and it will not be a hard matter to
pick out a winning second team. The
second team men are playing a good
defensive game and are no slouches in
offensive work. They will play a hard
game Saturday and we predict that
the score will be in their favor.

The address of the president of the
University yesterday upon the subject
of "The Basis for Optimism" was a
good example of the clear headed
thinking of President Campbell and
was received with approbation on the
part of the students and the visitors
present. The attendance upon as-
sembly are coming to know that when
the president says anything there is
always a deep meaning and evidence of
hard thinking.

The society Mrs. G. L. Lobdell was re-
ceived with applause. It was her
first appearance before a University as-
sembly.

PETITION TO LEGISLATURE

**Indian War Veterans
Want State to Re-
Imburse Them.**

**They Ask the Legislature to Ap-
propriate \$300,000 in
20-Year Bonds at
4 Per Cent.**

From the office of T. A. Wood, grand
commander of Indian War Veterans
of the North Pacific coast, in Portland,
is being sent out the following peti-
tion. Uncle Sam Handsaker has been se-
lected to see to the circulation of the same
in this county and we gladly give
space to so worthy a project:

PORTLAND, Ore., Nov. 7, 1901.
HONORABLE SENATE AND HOUSE OF
REPRESENTATIVES OF THE STATE
OF OREGON:
GENTLEMEN:

The undersigned petitioners would
set forth the following facts:
The territorial legislature of the state
of Oregon passed an act in the session
of 1855-56 agreeing to pay all veterans
who served in the wars of 1855-56 the
sum of \$2 per day for their service.
The United States paid of this amount
about 55 cents per day for such service.
The total number of days service ren-
dered by said volunteers was 371,449
days. Of this time each volunteer
lost about \$1.45 per day, which would
make an aggregate sum of about \$520-
028.60. Of course at least two-fifths of
this number have died without leav-
ing a widow or children. Of the
above sum the state of Oregon has not
paid one cent and has not redeemed its
pledge to these aged veterans who
have waited 47 years anxiously expect-
ing the state either to secure this pay
from the United States or to meet
their own obligations.

We will further state that various
territories have heretofore paid their
volunteers in state bonds and the
United States has invariably redeemed
these bonds, together with the interest
prior to their maturity, and there is no
reason why the United States will not
redeem any bonds that your honorable
body may issue or cause to be issued to
these veterans in payment for their
service, but whether they do or not
does not lessen the legal or moral re-
sponsibility of the state of Oregon, to
pay these gray headed veterans, or
their widows, and in the event of the
death of both, then their children the
sum of money which the Territory of
Oregon agreed by an act of legislature
to pay them for their services.

We therefore petition your honorable
body to appropriate \$300,000 in twenty
(20) year bonds, drawing 4 per cent in-
terest per annum to be used in paying
off these veterans the difference be-
tween that what the Territory of Ore-
gon agreed to pay them and what the
United States did pay them for their
service, and inasmuch as this matter
has been neglected so many years,
until the majority of them are in their
graves, we as citizens of Oregon, pray
your honorable body as honorable men
to promptly meet the obligations of
this state of Oregon to these veterans
at the present session of the legislature.

Funeral Tomorrow.

The funeral services over the remains
of the late A. J. Thompson, who died
yesterday morning at the Hoffman
House, are announced to take place
from the residence of Mr. R. C. Brady,
daughter of the deceased, tomorrow
afternoon at 2:30 o'clock. The funeral
will be conducted by Rev. Geo. Mc-
Donald and interment will be made in
the I. O. O. F. cemetery.

In the Police Court.

A man giving his name as Wm O
Jones was taken before Police Judge
Dorris this morning for being drunk
and disorderly yesterday afternoon.
He was fined \$5, which he paid, and
was liberated. Chief of Police atties
ran the man in yesterday.
