MISS MONIE BOWEY,

No. 18 Perry Street, DETROIT, MICHIGAN.

A couple of winters ago I slipped on a frozen sidewalk and fell flat on my back. On being examined I found that I had sustained internal injuries which laid me up for more than two months. After that I noticed that I had pains in the back and groin which I never had before. I doctored and doctored for several months but the pains increased instead of growing better I decided that I was not having the right treatment. Reading in the papers of the wonderful cures performed by Wine of Cardui I wrote to one of the parties and received a very satisfactory reply and I immediately sent for some. In a very short time I felt generally better and after seven weeks faithful use I was once more well and strong. I have never had a sick day since and I daily bless your splendid medicine.

MONIE BOWEY.

Miss Monie Bowey.

WINE OF CARDUI is one medicine that should always be kept in every home for immediate use when female weakness first makes its appearance. Miss Bowey's pain and dangerous accident would not have resulted so seriously had she taken Wine of Cardui promptly.

Wine of Cardui makes women more womanly by curing their weakness and making them stronger. Wine of Cardui cured Miss Bowey. As a medicine for all women in every trying period of their lives can you think of a better medicine for yourself, your sister, your daughter or your mother? Can you think of a more acceptable present to give your friend than a bottle of this medicine which will bring her health and happiness? You are suffering? Your duty is to rid yourself of this pain. If your daughter, mother, sister or friend is sick and in need of relief, your duty is equally great to them. Many women, now well, owe their lives to friends who brought them Wine of Cardui.

Wine of Cardui is adapted to women at any age in any walk of life. For the working woman it gives her strength for her tasks and better treatment than a doctor for very small cost.

Your druggist will sell you a $1.00 bottle of Wine of Cardui. Secure the medicine today. Take it in the privacy of your home. Relief will come to you as surely as you take it.

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.

FOR STREET WEAR.

Champagne Tint Fashionable—Useful Tailor Mades.

Unless a woman can afford a large variety in her wardrobe it is better for her to remain faithful to dark things, for one easily tires of a color if it is seen constantly.

Champagne tint, which has been so popular in Parisian millinery, will appear in evening stuffs mixed with white. Several shades of this color mixed with dead white can be very effective.

Black and dark blue are after all the most serviceable colors for street wear. What is more charming than the tailor

A SERVICEABLE DRESS.

frock of the moment in dark blue serge or zibeline cloth with some hand worked embroidery perhaps on a green ground? Black serge can be treated in the same way; the wearer of such a gown always feels well dressed.

If you can only afford one good gown, put all your money in a tailor made and be sure that it fits nicely and is of serviceable material. It is always better if you can afford to pay a good price to have it made to order, but if you cannot go to a first class tailor buy it ready made. Cheap tailors and dressmakers are a snare and a delusion.

The useful gown here shown is of zibeline and is trimmed simply with tassels and with tuckings of the material.

JUDIC CHOLLET.

MILLINERY FASHIONS.

The Popular All White Hat—Foliage Shapes.

The all white hat continues to rank first in the popular favor. Mink, squirrel and sable are the principal furs used to trim hats. The fur hats this year are made in as attractive styles as those of other material and have the wide, rolling brims so becoming to youthful faces.

The small turban seems to be relegated to a few mannish milliners; also the three cornered hat has seen its day. The regulation tailor made hat is the French sailor, with its upturned brim and jaunty bow drooping over the hair in the back.

Foliage hats made of satin or velvet leaves will be worn all through the winter.

Ostrich plumes are placed under the brim of the most stylish hats which have this kind of trimming. An all

black shape is particularly effective trimmed with a single white ostrich plume drooping over the hair in the back.

The dressy hat shown is made of cherries and their foliage, and it is trimmed with touches of deep red chiffon.

A Good Investment.

Five acres of land about Charing Cross, London, are held by the Marquis of Salisbury. These acres were obtained by his ancestors 250 years ago for grazing land at the modest rate of $2.50 an acre for 500 years. What that little bargain has been worth to the Cecils it would be rather difficult to accurately compute.

Better Than Gold.

I was troubled for several years with chronic indigestion and nervous debility," writes F J Green, of Lancaster, N H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by W L DeLano, druggist.

"THE POETRY OF THE ORANGE."

It appeals to you when the fruit hangs ripe and sweet late in February, or early in March. Then the blossoms break out, and the trees are yellow with golden globes, and white with orange flowers. It may be that a flurry of snow has whitened the mountain tops, and then you have an artistic background for a tropical forest. The air is full of sunshine, and heavy with fragrance as night comes on, and then if the moon be shining, you may hear at midnight through open windows the song of the mocking bird in the scented grove, and it never seemed so melodious before.

An experience like this is possible any winter, and it is worth a journey of a thousand miles, while you can have it by taking the scenic Shasta route through the grand and picturesque Siskiyou and Shasta mountains to Southern California. Complete information about the trip, and descriptive matter, telling about California, may be had from any Southern Pacific agent or
