Elmira Notes.

(Guard Special Service.)

Elmira, Aug. 9.—John Inman left Wednesday for the upper Suslaw, where he is working in a logging camp.

Geo. Gibson lost one of his best milk cows, as a result of eating too much chop.

The Inman threshing outfit started up last Wednesday.

Rev. M. F. Horn, of Eugene, was in our burg last Sunday.

Geo. Dickerson lost a milk cow last week, from the sting of some insect or reptile.

Mrs. Nellie Horn, of Eugene, is visiting her sister, Mrs. E. W. Jordan.

Most of our teachers attended the Normal Institute held at Eugene on Aug. 4, 5 and 6.

Mrs. Clay Perkins, of Grants Pass, and Mrs. Bristol, of Irving, are visiting with Mrs. Dinah Richardson this week.

Mrs. Dinah Richardson received a telegram announcing the death of her sister, Mrs. Dorsey, of Salem, deceased was a sister of Mrs. L. Gibson, of Fern Ridge, also a sister of Mrs. Hise, of Fairview.

As to Mr. Kraal, of Crow, we will say our assumptions were based on what we saw in Mr. Hise's buggy when he passed through here on his way to Mr. Kraal's. No insinuations were meant, however.

A BEAUTY SPOT CLOSE IN.

The Huddleston part of the city is attracting the attention of the better class of home builders.

Since it has been discovered by the public that the property is not to be disgraced by cheap "improvements," the tract is growing in favor with those wishing pleasant surroundings to their homes. More handsome new homes will be built next year in the Huddleston tract than in any part of the city. Call on any member of the Eugene Real Estate Exchange for prices.

BRUTALLY TORTURED.

A case came to light that for persistent and unmerciful torture has perhaps never been equalled. Joe Goldberg of Colusa, Calif., writes: "For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and its the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility. Only 50 cents. Satisfaction guaranteed by W. L. DeLano, druggist.

New Idea Woman's Magazine.

The women who clamor for advice—how to turn their time and talents to account—will receive many valuable hints from the series of articles entitled, "Profitable Industries for Women," which is begun in the September number of the New Idea Woman's Magazine under the heading of "Poultry-raising," from the pen of Sarah E. Slater. The new department of "Correct Dress for Men," also begun in the September issue and contributed by Hawthorne, a well known authority in haberdashery, bids fair to be of paramount importance in this periodical, because many women do much of the shopping for the men of their families and are glad to have suggestions. Every item in the September number, either technical or fictional, is of more than passing interest.

Portland Woodmen Row.

Portland, Aug. 11.—The division of the profits of the carnival given by the Woodmen of the World has caused a row, and will cause a lawsuit.

There was a profit of \$2900, and the directors, of whom there are ten, voted themselves \$100 each. They also voted that the balance should be divided among the camps in proportion to membership.

Each camp subscribed for one share of stock, and Sunnyside Camp claims an equal division among the camps, and objects to the payment of salary to the directors.

That camp has employed an attorney to sue the directors and the other camps for a division on the basis of stock holdings.
