An excellent bill has been selected for the week of the glorious Fourth. There will be three full performances tonight. In order to accommodate the crowds. Take advantage of the chance of seeing the great Walton, the Zelles and Gertrude Mack. Robinson Crusoe on the bijou scope is a winner, as the story is well told by motion pic- tures.

FARM HOUSE BURNED DOWN

Home of S. P. Gilmore Destroyed
— Other Junction City

Notes

The residence on the Bear Creek ranch of S. P. Gilmore, occupied by the family of Jos. Hise, caught fire and burned to the ground Wednesday at noon. Mrs. Hise had prepared dinner and stepped outside to see if her husband was coming, and glanc- ing toward the house discovered the roof in a blaze. She took her three children to a place of safety, but could not enter the premises on ac- count of the flames. Nothing was saved.

For the accommodation of those de- siring to attend the 4th of July cel- ebration in Eugene, the S. P. will at- tach two passenger coaches to the freight which leaves Junction in the morning at 8:15, and returning will leave Eugene at 4:30 in the evening. Round trip tickets 55 cents. Tickets will be good on the morning train for those who desire to stay for the fire- works and other evening attractions.

Lathy Read, of Elgin, arrived here Sunday evening with the body of his little baby, who died some weeks prior to the death of Mrs. Read. The remains of the little one were interred in the Odd Fellows cemetery beside its mother.

Mr. and Mrs. J. C. McElroy were the guests of relatives here Monday and Tuesday. Mr. McElroy reports that he will have a fine crop of peaches on his ranch west of Morroe.—The Times.

FINE WINDOW DISPLAY

Otto's confectionery has a fine win- dow display of cake chocolate and fancy chocolate creams that fairly make one's mouth water.

A short time ago Otto surprised Eugene people by receiving a ton of pure chocolate for the manufacture of chocolate creams and confections. So fast has his trade grown and so popular are his chocolate creams and confections that Otto has been forced to purchase a second ton of chocolate, a part of which is displayed in his window today. Otto's wholesale and retail trade has grown fast and today, outside of Portland, he is the only man in Oregon that buys cake cho- colate in ton lots.

Dr Darrin's Cures

Mrs J. H. Inwall Cured by Dr.
Darrin Fifteen Years
Ago

G. L. Jennings, of Eugene, writes this paper of his mother-in-law's cure some 15 years ago, thus showing the permanency of Dr. Darrin's cures. He is now located at the Smeede Ho- tel. This cure will go a long way in favor of the doctor's mode of treat- ment by electricity and medicines. We join Mr. Jennings in commending Dr. Darrin to the afflicted public. We give his card below:

To the Editor:—Noticing Dr. Dar- rin's cures in your paper, I wish to state to the public that he cured my wife's mother, Mrs. J. H. Inwall, of Irving, Lane County, Or., some fif- teen years ago of stomach trouble and liver complaint. She has never had a return of the trouble since. I am now under the doctor's care myself and have no doubt of the beneficial results. I can be referred to by let- ter or in person at my furniture and stove store at 403 Willamette street, Eugene, Or.

G. L. JENNINGS.

Henry S. Tilton, the Lucky Man,
is Cured of Deafness

To the Editor:—For some time I have been deaf in my left ear. I came to Eugene for jury duty June 19, and found on entering the court house I could not hear the proceed- ings. I had heard of Dr. Darrin at Hotel Smeede and called on him for his electrical treatment for deafness. He gave me three treatments and cured the deafness, much to my pleas- ure. Now I can hear the judge of the court and all sounds about me. My postoffice is Pleasant Hill, Oregon.
