PRIVATE WORDS
TO WOMEN

The eminent and successful electro-
and medical physician, Dr. Darrin,
has discovered and perfected a sys-
tem of treatment that has caused a
revolution in the treatment of female
diseases. Whenever his electrical
and medical treatment is tested and
known it has done away with exco-
sive dosages, with nauseous drugs
and painful surgical operations, where-
by so many precious lives have been
lost.

As a discovery it ranks with Har-
vey's discovery of the circulation of
the blood. It has proved in more
than a thousand cases of the worst
kind to be a positive cure for the
following female diseases: Ovarian
tumors, polypus, ulceration and
dropsy of the womb, painful and sup-
pressed menstruation, bearing down
pains, backache, headache, racking
cough, melancholy, absence of ambi-
tion or desire to live, or in fact any
complaint having its generative origin
in a disordered state of the gener-
ative and accompanying organs,
whether from contagious diseases,
hereditary, tight lacing or other
causes. His method of treatment is
harmless, pleasant and mild. It is ap-
plied directly to the parts affected
and can be applied by the patients them-
selves, thus securing local treatment
at home, and its application is easy
and simple. Its curative action on
the inflamed parts is immediate.

Dr. Darrin refrains from making
public the names of hundreds of
ladies who have been restored to
health, with due deference to the
delicacy of their afflictions.

The following cards were offered
by ladies desirous of helping others
similarly afflicted:

A EUGENE LADIE'S
TESTIMONIAL

To the editor: For two years past
I have had a severe pain in the region
of the liver with enlargement of that
organ. It gave me great annoyance
and I was compelled to forego my
housework. My heart and stomach
were giving me much trouble all this
time. After a month's electric and
medical treatment by Dr. Darrin I
feel like a new woman and am now
attending to my household duties
with comfort. I am also cured of
diseases peculiar to my sex. My hus-
band has been cured of a very trou-
blesome catarrh and general debility.
I gladly commend Dr. Darrin. I
reside at 914 South Willamette street,
Eugene, and can be referred to.
Mrs. Henry Hampton.

TO THE LADIES

Dr. Darrin treated me one year ago
for catarrh, neuralgia and rheuma-
tism, scalp trouble, deafness, gen-
eral nervous debility, female troubles
and partial paralysis of neck of the
bladder, with marked success. I feel
that words are inadequate to ex-
press my gratitude for the great good
Dr. Darrin has done me, and I most
heartily recommend the doctor to
the afflicted.

Miss Minnie Wells,
157 18th Street, Salem.

Dr. Darrin is located at the Smeede
Hotel, Eugene, until October 1, and
will give free examination to all.
10 to 5 and 7 to 8 daily. The poor
free, except medicine, and those able
to pay at the rate of \$5 a week or in
that proportion of time the case may
require. All curable chronic diseases
of men and women a specialty.

July 15 and 16 will be devoted to
the cure of cross eyes, varicocele, hy-
drocele and stricture, by a simple
operation. No one need apply after
July 15 and 16 for cross eye opera-
tion.

New Bijou Theatre

To accommodate the Saturday night
crowds the Bijou will give three shows
tonight as usual, 7:45, 8:45, 9:45.

Next week a strenuous bill of clever
vaudeville, including Monroe and
Deely, the Eugene favorite, Rand and
Byron, California's best comedy duo,
and the entire company in a uproar-
ing farce.

The Springfield News claims to have
information that the cut-off will be
built between Springfield and Hender-
son this year. We hope so.

HAINES PRODUCES
MORE MONEY

Takes Large Amount of Currency
From Coat When He dons
Prison Garb

The short change man "Ed Haines,"
who recently worked a few of the
stores in this city is an old offender
and from what he says, it is inferred
that he has served time before. When
Harris was arrested here it will be
remembered that he had \$106.15 on
his person. The shells with which he
worked his shell game could not be
found and it remained for the prison
officers to secure them. When the
smooth one realized that the clothes
he wore would be taken from him he
ripped open his coat and took there-
from \$175 in currency of denomina-
tions and also his shell's.

Creswell Items

Creswell, July 7.—Farmers are very
busy working at their bay the last
few sunny days. The hay crop is very
good here this year.

Mrs. Benny Martin and baby are im-
proving fast.

We wondered why R. S. Scott goes
across the river so much to Clover-
dale. We all know now.

John Wizerled Jr., who has lived
here for 16 years has changed his
business. He has bought a half interest
with Mr. Mack Davis, of Springfield,
in the livery stable. We all regret to
lose such good people as John and
family. Wonder what we will do
without John now, as he was always
our turkey man, but we can say this
much, our loss is Springfield's gain
and we wish John a success in
his livery stable business.

Fisher is a Fraud

He is in Eugene claiming to repre-
sent the Allen & Gilbert, Ramaker
Co., of Portland. Look out for him
as he does not represent our house.

Bent Her Double

"I knew no one for four weeks,
when I was sick with typhoid and
kidney trouble," writes Mrs. Annie
Hexter, of Pittsburg, Pa., "and
when I got better, although I had one
of the best doctors I could get, I was
bent double, and had to rest my
hands on my knees when I walked.
From this terrible affliction I was
rescued by Electric Bitters, which
restored my health and strength, and
now I can walk as straight as ever.
They are simply wonderful." "Guar-
anteed to cure stomach, liver and kidney
troubles; at W. L. DeLano's drug
store; price 50c.

HOW CROSS EYES

Among Dr. Darrin's specialties he
is an expert operator in straightening

turn home the same day, with no de-

pointments for treatment during the
two days, July 15 and 16, and avoid
the rush the doctor has on his special
days. The following references, tak-
