The Oregonian's Gall

The Oregonian is never happy unless it is throwing its barpoon into some public official, lodge or church organization. In turn it attacks everything. Its latest narrow, contemptible attack on the governor of Oregon and the Elks lodge will not gain it a friend. It says:

The governor of Oregon is to leave the state for a month or more. He is to go off to a convention of "The Elks" somewhere—to go at this special time in the history of Oregon, when the state is inviting all peoples of all states and all nations to visit her. Doubtless "The Elks" are very important. And doubtless the governor of Oregon will deem himself a more important figure among the Eastern Elks or stage or bulls or buffaloes than among the people of Oregon during the Lewis and Clark fair.

The Oregonian evidently thinks the Portland fair is it, and that the governor should not move unless first asking the advice of Harvey H. The thing at the Elks is uncalled for and without precedent in the annals of respectable journalism.

Dr. Ella K. Dearborn startled the Homeopathic Medical Society meeting at Portland Saturday by reading a paper advocating surgical treatment of criminals and insane so they might not procreate their kind. How would Dr. Ella like it herself? Likely, though, she belongs to that large and influential class that would not object just so the knife was used on the other fellow.

The Atlantic ocean does not furnish such life-giving breezes as those that blow from the great Pacific. With the thermometer at 88 in New York yesterday, nearly ten degrees lower than at Eugene, there were six deaths from heat prostration. The humidity, moisture in the air, of the North Atlantic coast is said to make life almost unbearable during hot weather.

The Diamond Cure

The latest news from Paris is that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take that great remedy mentioned by W. T. McJee, of Varleed, Tenn. "I had a cough for fourteen years. Nothing helped me until I took Dr. King's New Discovery for Consumption. Coughs and Colds, which gave instant relief, and effected a permanent cure." Unequalled quick cure, for throat and lung troubles. At W. L. DeLano's drug store; price 50c and \$1.00, guaranteed. Trial bottle free.

Big Chance for Land Buyers

A large tract of land lying three to five miles from Eugene, suitable for grazing and farming, well watered and wooded, is offered for sale. Will sell entire or in separate tracts, at a bargain. For full particulars inquire of or address E. J. Crow, Eugene, Oregon.

A Surprise Party

A pleasant surprise party may be given to your stomach and liver, by taking a medicine which will relieve their pain and discomfort, viz: Dr. King's New Life Pills. They are a most wonderful remedy, affording sure relief and cure for headache, dizziness and constipation. 25c at W. L. DeLano's drug store.

SKIN DISEASES SPEAK FOR THE

Skin Diseases speak for the blood and tell of the condition of that vital fluid, and of its effort to rid the system of the poisons and waste matters that have accumulated. Eczema, Tetter, Acne, Salt Rheum, Psoriasis, Boils, and all are caused by a weakened and polluted blood circulation. They may have lain dormant in the system during the cold months of Spring and Summer, when the blood is reacting and making extra efforts to expel all morbid and poisonous matter, they make their appearance. External remedies cannot cure; they soothe and give temporary relief, but often clog the pores and glands, and the poison causing the trouble is thus shut up in the system, and afresh later on. S. S. S., a purely vegetable blood purifier, goes down into the circulation, driving out the poisons, strengthening the system, and building up the soft and smooth, and building up the system by its tonic effect. S. S. S. is a purely vegetable blood purifier, and all skin diseases, through the pores and glands, have their origin in the blood. Book on Skin Diseases without charge.
