MONDAY, JULY 24.

A Democrat from Oregon in the United States Senate would be a slap at the administration. Now is the time for Senator Mitchell to get even by resigning his seat in that body.—Woodburn Independent.

This is an error of the worst kind. The president himself has shown his confidence in Democrats by appointing one to take care of the Oregon land fraud grabbers. What's more, he removed a Republican so as to make the position for the Democrat. To the independent a dishonest Republican is preferable to an honest Democrat.

Francis J. Heney, United States attorney, is being talked of for governor of California or mayor of San Francisco. Mr. Heney is a Californian and, despite his connection with the administration, is a Democrat. His vigorous and brilliant prosecution of the land fraud cases in Oregon and elsewhere has started a political boom in his behalf and California papers are urging him for the governorship or the mayorship of the California metropolis. Mr. Heney declares that it is too early to talk politics, and that he will not give the matter any consideration until he has finished the prosecution of the land cases.

Pianos.

The largest number of high grade pianos and organs carried by any dealer in Eugene.

Such pianos as the Knabe, Fischer, Yose and Ludwig and such organs as the Eatey and Packard. Not a lot of cheap instruments that would be dear at any price, but instruments that you know are good and with a world-wide reputation.

I can sell a piano of relative merit from \$50 to \$100 cheaper than any other dealer in Eugene.

The Eugene representative of the Allen & Gilbert-Ramaker Co., of Portland, the oldest, strongest and largest piano and organ house in the Pacific Northwest.

About Piano Values

A little over a year ago we shipped into Eugene at one time over two carloads of "bright, new" pianos, and then a little later on another carload. Previous to this we shipped up a boatload by steamer Eugene. All these pianos were shipped from the factories to Portland because we could save from \$15 to \$20 on each one on account of cheaper freight rates to the "terminal point," Portland, the benefit of which we gave our customers.

By buying hundreds of carloads each year for our different branches we buy very much cheaper than the little dinky concerns who have a carload of "Cheap John" stuff consigned to them once in a lifetime. We give our patrons the benefit of this also. We handle over 30 different makes of pianos and can certainly suit any one. We have the world's very best ones, such as Chickering, Weber, Decker, Haddorf, Kimball, etc., etc., and from that on down to the cheapest. We have several Kohler and Campbell pianos on hand in Portland—come and get one for \$165—anybody.

Nice high top parlor organs with large mirror only \$55. Others as low as \$30. We have always kept cheap goods in stock for those that want them.

The discriminating musicians of Eugene, almost without exception, have bought one of our choice pianos. "Go thou and do likewise."

Yours truly,

OLD PEOPLE AND THEIR TROUBLES

Old People have more of the pains, aches and discomforts of life than do the young. This is perfectly natural, because their blood is not so vigorous, and their powers of resistance so great, and their troubles that a younger, healthy constitution could resist often afflict them.

During the civil war I contracted Catarrh and suffered with its effects for many years. I tried various remedies and doctors, but with no good result. One day I found one of your pamphlets. I read it carefully. I decided S. S. S. was the medicine I was in need of and I began its use at once. My health was so improved that I was getting along in life, I had most of the pains and ailments incident to that time of life; but after taking this great remedy for a while I began to improve and soon found myself a strong, well man. My health is now 75 years of age, but my health is as good as I was when I was a young man. S. S. S. Nothing equals it as a tonic of blood purifier, and I recommend it to those needing such a medicine. For these things, such a medicine. For these things, such a medicine. For these things, such a medicine.

Rheumatic pains, sleepless nights, fickle appetites, etc., are not imaginary with old people, as is sometimes thought. They need a medicine that will supply their blood with its lost vigor and build up and strengthen their constitutions. S. S. S. is the ideal remedy for Old People. It is made entirely from roots, herbs and barks, and does not injure the system in the least as do those medicines containing mineral ingredients. S. S. S. is gentle in its action, purifying the blood of all poisons and relieving old age of its discomforts by supplying a robust, healthy constitution. It is the greatest of all tonics for increasing the appetite, toning up the stomach, promoting the digestion and building up the entire system.
