SATURDAY, JULY 29

The Russian has good reason for complaint at the lack of tact shown by the president in allowing the visit of Secretary Taft and Miss Roosevelt to Japan while the United States is the host of the Russian peace plenipotentiaries.

With the conviction of Senator Mitchell in mind, it is probable that many of the other members of the upper house of congress are gathering up and destroying telltale checks, notes and memoranda, and the furnaces in their basements are working overtime on once valuable papers.

Kaiser William, of Germany, and Emperor Nicholas, of Russia, in conference! What fools these mortals of Germany and Russia be that they permit their destinies and lives to be held to not a small extent in the grasp of these accidents of birth!

The difference between the parcels post system of Great Britain and other countries was forcibly illustrated last week by a human "postal parcel." Henry Turner, of Guernsey, determined to test the resources of the postoffice. He wanted to go to the neighboring Isle of Sark and he presented himself at the Guernsey postoffice as a parcel. He was accepted after paying the fee of 5s 10d, and a messenger was dispatched with him. He was duly delivered with punctuality at his destination.

Forced to Starve

"B. F. Leek, of Concord, Ky., says For twenty years I suffered agonies, with a sore on my upper lip, so painful sometimes that I could not eat. After vainly trying everything else, I cured it with Bucklen's Arnica Salve." It's great for burns, cuts and wounds. At W. L. DeLano's drug store. Only 25c.

MERCURY
WORSE THAN THE DISEASE

The effects of Mercury and Potash are worse than the effects of Contagious Blood Poison, for which these minerals are generally used. They cannot cure the disease, and in addition set up a poison of their own, producing dyspepsia, by drying up the gastric juices, salivation, sores, mercurial rheumatism, and often necrosis of the bones.

Bowling Green, Ky., Mitchell House.

Gentlemen:—For over four years I suffered greatly from a severe case of Contagious Blood Poison. I went to Hot Springs, staying there four months at a big expense. I then consulted physicians, who prescribed Mercury. Nothing did me any good, in fact the treatment proved more harmful than beneficial. Thus I continued to suffer for four years. I mentioned my case to a friend, who told me that S. S. S. had certainly cured him. I at once commenced its use, and in six months could find no trace of the disease whatever. This was about two years ago, and there has been no signs of return. D. M. SANDERS.

S. S. S., a remedy made from roots, herbs and barks, is the only known antidote for Contagious Blood Poison. It thoroughly and permanently eradicates the poison from the blood so that no sign is ever seen of the disease in future. S. S. S. builds up instead of tearing down the system, as do Mercury and Potash, and when it has cured the disease every part of the body has been toned up by its purifying and tonic effects. S. S. S. also removes any effects of the mineral treatment from the blood. We offer a reward of $1,000.00 for proof that S. S. S. contains a particle of Mercury, Potash or any other mineral. Home treatment book and any medical advice will be given without charge.
