MONDAY, AUGUST 21

Albany a trade centre? This from Thusday's Democrat looks like it: "With a little, insignificant local in the Democrat ten gallons of dill pickles were sold in a short time."

Japan's victory may be tempered with the worst disaster a nation may face—famine. Bad weather has delayed the maturing o' crops, and the people are disturbed by the probability of a serious shortage of food.

Tomorrow not a few New Orleans citizens will get a foretaste of—well, we hope you will not eventually land there. Tomorrow if every householder in the stricken yellow fever city obeys instructions he will burn sulphur two designated hours.

A very curious incient, that of the dynamite cruiser Vesuvius firing a blank torpedo the other day only to have it make a complete circle and strike her on the other side. If it had been a real live torpedo the United States would be short a dynamiting craft.

The magnificent stone foundation which was laid for a capitol building at Olympia a dozen years ago is now being used as a cowshed. Any visitor who has viewed the old foundation and the building now used as a state capitol can hardly fail to be impressed with the belief that the cows are being sheltered in the wrong building. —Oregonian.

The taxpayers who were to have been called on for ten millions or thereabouts for a structure half a century ahead of its time probably are content that cows should occupy the basement.

Board of Equalization.

Notice is hereby given that on the last Monday in August, 1905, the board of equalization will meet at the office of the county clerk of Lane county, Oregon, and publicly examine the assessment rolls and correct all errors in valuation, description or qualities of lands, lots or other property, and it shall be the duty of persons interested to appear at the time and place appoined, and if it shall appear to such board of equalization that there are any lands, lots or other property assessed twice, or in the name of a person or persons not the owner thereof, or assessed under or beyond its actual value, or any lands, lots or other property not assessed said board shall make the proper corrections.

Said board of equalization shall continue its sittings from day to day, until the examination and correction of the assessment rolls, as provided by law, shall be completed.

B. F. KEENEY,
Assessor of Lane County, Oregon.
Dated this 4th day of August, 1905.

OLD SORES
ROOTED IN THE BLOOD

Old Sores are the result of a deeply polluted, foul blood supply. The blood is filled with poisons, and as it finds an outlet through the ulcer, the surrounding parts become diseased and the sore eats deeper into the tissues and flesh and becomes a permanent trouble.

Some years ago while at work, I fell over a truck and severely injured both ankle joints. My blood became poisoned as a result, and the doctor told me I would have running sores for life, and that if they were closed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of S. S. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated I would be, neither have the sores ever broken out again, and some twelve years have elapsed since what I have described occurred. Having been so greatly benefited by its use I can heartily recommend it as the one great blood purifier.

Salves, powders, plasters, etc., do no good, and the sufferer gets disgusted and often despairs of curing an old sore. The trouble is in the blood and until the poisonous matter that is keeping up the ulcer is driven out the place cannot heal. S. S. S. reaches these old sores through the blood by removing every particle of poison or impurity from the circulation and building up the system. It makes the blood healthy so that as it circulates to the diseased parts the tissues are strengthened and the sore can heal naturally and permanently. If you have an old sore or ulcer do not waste time with salves, powders, plasters, etc., but write for our book and ask for any medical advice you wish. We make no charge for either.
