MONDAY, NOVEMBER 13

There is profit in life insurance—to the company. President Higeman of the Metropolitan, testified the other day before the legislative investigating committee that 35 years ago \$250,000 would have bought his company, and that now \$250,000,000 would not buy it.

The Oriental is nothing if not servant. The Chinese ambassador in a speech before the Chicago Merchants' Club the other evening, said the missionaries often lack the common sense that should be possessed by persons in their positions. It is their training that is at fault. If theological students could have a few years of business training and rubbing among men previous to taking up their ministerial work they would be far better fitted. Still, with that they might conclude not to enter the ministry.

Bazaar at Elmira

RHEUMATISM

AN INSIDIOUS DISEASE THAT BREAKS DOWN THE STRONGEST

Rheumatism does not come on in a day; the disease that produce it work silently in the system for years. This insidious disease becomes entrenched in the blood, and some exposure to cold or damp weather, or slight indiscretion brings on an attack. Poor digestion, stomach troubles, weak kidneys, torpid liver, and a general sluggish condition of the system are responsible for Rheumatism. Final scouring in the stomach poisons the blood, the failure of the kidneys and liver to act properly leaves waste matter and impurities in the system, which, coming in contact with the natural acids of the body, form uric acid. This is absorbed by the blood, and as it penetrates to the muscles, nerves and bones produces the terrible pains and aches and other disagreeable symptoms of Rheumatism. Life is made a torture by its excruciating pains, nerves are shattered, the health undermined, and if the disease is not checked it leads to the strongest condemnation. It will not do to depend on plasters, liniments, etc.; such treatment is helpful in easing the pain and reducing the inflammation, but does not reach the blood where the real trouble is located. S. S. S. cures Rheumatism by purifying and invigorating the thin, acid blood, driving out all impurities and poisons and sending a stream of strong, rich blood to wash out all irritating particles that are causing the pain and inflammation. S. S. S. stimulates the sluggish organs to better action, tones up the stomach and digestion, restores nervous energy and builds up the entire health. S. S. S. cures Rheumatism, whether acute or chronic, and the cure is thorough and lasting. Book on Rheumatism and any medical advice desired without charge.
