TUESDAY, NOVEMBER 21

A few days ago some laborers working in the pit of a steel plant at Phildelphia were caught by a flow of eighty thousand pounds of molten metal released through a leak. Not a trace of the men could be found, but the company, willing to do the right thing, will bury eight thousand pounds of metal taken from the spot about where the men were last seen. President Roosevelt himself, with his "square deal," could not give the men a squarer deal. It is too bad they are not in a position to appreciate it.

Ex-Governor Geer sees no reason why the Republican candidate for governor should not beat George Chamberlain ten thousand votes. Lack of votes will be the very good reason. The ex-governor is said to have some ambition that way. Well he would not have to await returns the next day to know exactly how he stood. The returns the evening of election would send him into seclusion very early. They have got to put up an extraordinary political sprinter to pull through one vote ahead of Chamberlain, let alone ten thousand.

"Plate sin with gold and the strong lance of justice hurtless breaks." Bartlett Richards and W. G. Comstock upon conviction of having illegally fenced in 212,000 acres of government land in Nebraska, were fined $300 each and sentenced to remain for six hours in custody of the United States marshal. "In custody" in this instance means, of course, that they may sit or walk about with the marshal, play cards, billiards or marbles with him as they please, in fact it is nothing more than court-record imprisonment—in name. It would be interesting to know how much that judge got, for surely he could not have underestimated the storm of criticism that such a palpably influenced sentence would provoke. If possible he should be impeached.

SORES-ULCERS THE BLOOD DISEASED -SYSTEM DISORDERED

When a Sore or Ulcer is slow in healing it is the best evidence of a diseased condition of the blood and a disordered system. They show that the bodily impurities, which should pass off through the natural channels of nature, are being retained in the system from some cause. The blood absorbing the waste matters becomes steeped in poison which finds an outlet through the Sore or Ulcer, keeping it inflamed, painful and festering. As the blood constantly discharges its poison into these places, they eat deeper into the surrounding flesh and [illegible] growing larger and more offensive in spite of all the sufferer [illegible] do, until the entire health is [illegible]. Washes, salves, powders and such treatment are desirable for the reason that they are cleansing and also help to relieve the pain, but they are in no way curative. The blood is filled with poison, and until it is removed the sore cannot heal. S. S. S. is the only cure for these evidences of impure blood. It goes down to the root of the trouble and cleanses the circulation of all poisons and impurities. S. S. S. enriches the blood and reinvigorates the different members of the body so that the impurities and waste matters can pass off as [illegible]. Then the discharge ceases, the sore scabs over, new flesh [illegible] and the place heals permanently. [illegible] ok on Sores and Ulcers and [illegible] advice you need without charge

I have not words strong enough to praise your great medicine. I had a sore on my left temple for years. It would itch, burn and bleed, and I could not get it to heal. After taking S. S. S. awhile it began to discharge, and when the poisonous matter was out it healed. this was about ten years ago and I have never seen any sign of it since.

False Rumor

The report Saturday on the streets that Will Muthersbaugh was dead was found to be untrue. Upon inquiry at the Eugene Dye Works, the place where they do first-class dyeing, cleaning and repairing clothes, it was found that he was only dying old clothes. 459 Willamette street is the place where they dye to live and live to dye.

Free Booklet On Brights Disease And Diabetes

We desire to place in the hands of those afflicted with Brights Disease or Diabetes a 36-page pamphlet that is saving human lives. It is not an ordinary pamphlet, but is principally made up of reports of scientifically conducted tests in a large variety of cases showing 87 per cent of recoveries in these hitherto incurable disease.

This booklet is for thoughtful people—people who can discriminate between common patent medicine literature and a carefully prepared report of the patient, serious and profoundly important investigation.

The specifics employed in these tests are known as the Fulton Compounds and the results obtained prove conclusively that these dreaded diseases so long fat have at last yielded to medicl science. The phamphlet is free. Linn Drug Co., Local Agent.

When to suspect Brights Disease—weakness or loss of weight; puffy ankles,hands or eyelids; kidney trouble after the third month; urine may show sediment; failing vision; drowsiness; or more of these.

In Diabetes the distinguishing feature is, weakness with great thirst at times voracious appetite"
