Died
After a lingering sickness of about eight months the Bijou theatre has passed gently into oblivion. The indirect cause was a severe attack of colic which, combined with the rheumatism which is generally fatal to the theatre business. No more will it be a scene of "violent hoodlumism" for the university students. No more will the rich of Eugene have a chance to pester the manager for a ten-cent pass. No more will the council have a chance to soak Merrill with an exorbitant license. The crepe on the door tells the sad, sad story and teaches only one lesson, where ignorance is bliss 'tis folly to be next. Rest in peace, Bijou. S. S. S.

Furious Fighting

I enthusiastically recommend them to all and don't intend in the future to be without them in the house. They are certainly a wonderful medicine to have cured such a bad case as mine." PETITION COUNTY COURT
To Prevent Railroad From Usurping County Road

Reliably Stated That S. P. Company Has Ordered Engineers To Remove Present Obstructions

A petition is being circulated and liberally signed asking the county court to protect the county's interest so that the present piling driven in the county road at the railroad crossing this side of Springfield will be removed. Under the existing circumstances the heaviest traveled road in the county is almost blacked-out and is very dangerous to public travel.

WILL FIX MATTERS.
The Guard has been reliably informed that the Southern Pacific officials at Portland were not aware of the conditions as they exist in the blockading of the public thoroughfare, and will instruct Engineer Freeland that the crossing over the road must be entirely cleared so that no part of the road will be obstructed. The company realized at once the situation and will make the necessary changes immediately.

LETTER TO GUARD READERS

Hull's Drug Store Guarantees Hy-omei to Cure or it Costs Nothing

Editor of the Guard:—
In view of the prevalence of catarrhal troubles at this season of the year I want to tell your readers that I have never sold anything that gave more satisfaction than Hyomei, when used in catarrhal troubles. You get immediate relief from the treatment, and consistent use will prove to every sufferer, as it has to many of our customers, the virtue of this preparation.
Personally Hull's drug store is interested in Hyomei, for it is made and sold on honor, and Hull's drug store does not want your money unless you are benefited and satisfied.
There is no stomach dosing in connection with Hyomei. It is a thoroughly local treatment for a local disease, and is a soothing, healing medication that goes direct to the spot where it is needed.
The complete Hyomei outfit consists of a Hyomei bottle, a medicine dropper, and a bottle of Hyomei, and the price is only \$1, while additional bottles can be obtained for 50 cents.
Hull's drug store positively guarantees a cure when Hyomei is used in accordance with directions or your money will be refunded. This certainly shows our faith and belief in the virtue of Hyomei.
Yours very truly,
10416 HULL'S DRUG STORE.
