AN INDEPENDENT PAPER.

SATURDAY, JANUARY 27

Henry C. Erick, Carnegie's former partner, is not soon going to the p. orhouse. He is reported as having sold his building and stock and moved during the past year at a profit of seven millions.

Seattle may be pretty bad, but not so bad as this, from the Oregonian, might indicate:

Seattle is endeavoring to raise \$25,000 to get the National Christian Endeavorers' convention. It will be worth \$25,000 to Seattle to find out who and what the Endeavorers are.

A. Bar, financial agent and amanuensis for about all the seven thousand Japanese in Portland, asks for a post-office sub-station in the Japanese section prepared to handle the Japanese mail and money order business. It looks like a good idea.

It has been definitely announced that Moffatt & White, the New York capitalists, are the financial power behind the electric line building from Portland to Eugene. This assures the public that the financial backing of the line is virtually unlimited.

A peculiar case that Thursday when the sheriffs in three adjoining cornering counties in Pennsylvania, Delaware and Maryland, each on his own territory but within easy speaking distance of each other, almost simultaneously sold a piece of farm property part of which laid in the corner of each state.

The Portland Journal puts future headlines in their gaudy by telling with bold headlines how a young Portland girl saved a valuable diamond ring in a scuffle by twisting the sparkler about by aid of the thumb to the inside of the finger, away from the burglar's sight. A very quick-witted girl, but the next one that tries it may have to show her hands to the footpad through this too much publicity.

Furious Fighting

"For seven years," writes Geo. W. Hoffman, of Harper Wash., "I had a bitter battle with chronic stomach and liver trouble, but at last I won and cured my disease by the use of Electric Bitters. I unhesitatingly recommend them to all and don't intend in the future to be without them in the house. They are certainly a wonderful medicine to have cured such a bad case as mine." Sold under guarantee to do the same for you by W. L. DeLano, druggist, at 500 a bottle. Try them today.

See our fine Standard Paragon sewing machine at only \$19.30 and \$21.50, fully warranted in all respects. You can try them before you buy them, and I think you will agree with me that they are wonderfully good machines. 33 East Ninth street.

Timber Land Wanted

I desire several pieces of good timber land. Must be cheap and desirably located. Write full information, price, etc., and mail to me. "Timber," care Guard office.

Eighth Grade Examinations

The final eighth grade examination for the public schools will be held on February 1 and 2, May 17 and 18, June 14 and 15, 1906.

Teachers who have pupils ready for the examination should notify the chairman of the school board, whose duty it is to conduct the examination in person or appoint some one other than the teacher, and notify me of the number of questions and who is to conduct said examination so the examiner may receive the questions in time.

County Superintendent.

Soiled Her Beauty

Harriet Howard, of New York, at one time had her beauty spoiled with skin trouble. She writes: "I had skin trouble, or eczema for years, but nothing would cure it until I used Bucklen's Acolin Salve." A quick and sure healer for cuts, burns and sores. 25c at W. L. DeLano's drug store.

See our wonderful \$1.75 razor. Money back if not O. K. Our annual stock of Xmas goods is now in and while the quantities are much better than usual the prices will be found considerably lower. An early inspection means your choice of selections. Yours, 33 East Ninth street.

Sickening Shivering Fits

of ague and malaria can be relieved and cured with Electric Bitters. This is a pure, tonic medicine, of especial benefit in malaria for it exerts a true curative influence on the disease, driving it entirely out of the system. It is much to be preferred to quinine, having none of this drug's bad after effects. B. S. Manday, of Henrietta, Tex., writes: "My brother was very low with malarial fever and jaundice till he took Electric Bitters, which saved his life." At W. L. DeLano's drug store. Price 50c, guaranteed.

When ordering carpenter work done tell your carpenter to use only hand sawed lumber. It will not cost you any more and your lumber will last longer and the job will look smoother. To be had at Barker's sawmill, Eugene.
