LETTER TO GUARD READERS

Hull's Drug Store Guarantees Hyomei to Cure or it Costs Nothing

Editor of the Guard:—

In view of the prevalence of catarrhal troubles at this season of the year I want to tell your readers that I have never sold anything that gave more satisfaction than Hyomei, when used in catarrhal troubles. You get immediate relief from the treatment, and consistent use will prove to every sufferer, as it has to many of our customers, the virtue of this preparation.

Personally Hull's drug store is interested in Hyomei for it is made and sold on honor, and Hull's drug store does not want your money unless you are benefited and satisfied.

There is no stomach dosing in connection with Hyomei. It is a thoroughly local treatment for a local disease, and is a soothing, healing medication that goes direct to the spot where it is needed.

The complete Hyomei outfit consists of a pocket inhaler, a medicine dropper, and a bottle of Hyomei, and the price is only \$1, while additional bottles can be obtained for 50 cents.

Hull's drug store positively guarantees a cure when Hyomei is used in accordance with directions or your money will be refunded. This certainly shows our faith and belief in the virtues of Hyomei.

Yours very truly,

HULL'S DRUG STORE
