At the Theatres

"AT CRIPPLE CREEK."

A good house greeted the melodrama, "At Cripple Creek," as played by E. J. Carpenter's company of capable actors at the Eugene theatre last night. The play was better than the average border drama and was well received by the audience. The different roles were all in good hands. This company is under the same management that produced "The Little Outcast" last year and those who attended both plays are of the opinion that "At Cripple Creek" was the better of the two.

AT THE BIJOU.

The Bijou theatre was reopened under the management of the Niparell Stock Co. last night and the first performance was attended by a large audience. The company has some very good vanderbilt specialties that seemed to please the people last night. Miss Edna Wilma, the prima donna, was compelled to respond to four or five encores. Pearl and Cassidy in their European novelty act elicited praise and meadows and Lussure, the comedy boomers, were good. The performance ended with a roaring farce, "Mushroom Ketchup."

The performance continues tonight and tomorrow night.

EXTEND BOHEMIA RAILROAD

A. B. Wood, manager of the Oregon & Southeastern Railroad, informed us Monday that he was looking for men, and was ready to let contracts for the extension of the road to the 10-mile post, after which all trails will be run to the end of the line, which is just about two miles from the present stopping place, at the foot bridge. This will shorten the stage travel two miles, and the heavy wagon travel three miles to the mines, as the wagons have to load a mile below the foot bridge.—Nugget.

LETTER TO GUARD READERS

Hull's Drug Store Guarantees Hyemol to Cure or it Costs Nothing

Editor of the Guard—

In view of the prevalence of catarrhal troubles at this season of the year I want to tell you readers that I have never sold anything that gave more satisfaction than Hyemol, when used in catarrhal troubles. You get immediate relief from the treatment, and consistent use will prove to every sufferer, as it has to many of our customers, the virtue of this preparation.

Personally Hull's drug store is interested in Hyemol, for it is made and sold on honor, and Hull's drug store does not want your money unless you are benefited and satisfied.

There is no stomach dosing in connection with Hyemol. It is a thoroughly local treatment for a local disease, and is a soothing, healing medication that goes direct to the spot where it is needed.

The complete Hyemol outfit consists of a packet inhaler, a medicine dropper, and a bottle of Hyemol, and the price is only \$1, while additional bottles can be obtained for 50 cents.

Hull's drug store positively guarantees a cure when Hyemol is used in accordance with directions or your money will be refunded. This certainly shows our faith and belief in the virtues of Hyemol.

Yours very truly,  
HULL'S DRUG STORE.
