The Finest Toilet Talcum Powder.

We desire all of our customers to try a little By-L Violet Porcelain Talcum Powder and see if they do not think—just as we do—that it is the finest Toilet Talcum Powder they have ever examined. The odor is exquisite. The powder is smooth as velvet. The anti-septic and astringent products—in addition to its thorough cleansing—make it really soothing and healing. Surpassing other Toilet and Talcum Powders undoubtedly. Price 25c.

CONDUCTOR EUGENE BRISTOW LET OUT

Eugene Bristow, one of the popular S. P. conductors on the Eugene local, has been relieved from further duty by the railroad company.

No cause for the action was given by the railroad people, but recently the railroad managers have pursued a policy of letting out a batch of conductors every few months, as has been the practice for years, on the O. R. & N. lines. Mr. Bristow is very popular with the public and is a thorough railroad man.

At the Bijou Last Night

The Nonpareil Comedy Co. gave its first show here for this week last evening. They played to a packed house. The bill as presented was better than last week in many respects.

Pearl and Cassidy in their comedy skit, "The Deceit Letter," pleased every one and went with a scream. Their operatic parodies and motto songs were highly appreciated and away from anything that has been presented before, and their Feline Fur is something new and original.

Meadows and Lassure in their comedy singing and dancing were pleasing to the entire house.

Miss Edna Wilma in her grand opera selections was a treat to the Eugene classical critics. She has an excellent voice. In her "Sweetest Girl in Dixie" song she sang it lovely and received hearty applause, and then sang the "Swanee River" and did herself proud.

Harry Meadows in his illustrated song was not what we expected from Harry. We would suggest that he devote a little more time to the learning of the song.

The "Secret Panel" comedy was a continuous laugh from beginning to end. In fact, the entire bill was far above the standard and every one should see this show before they leave the city for Albany, where they give one performance at the Albany opera house.

They give two more performances here and matinee Wednesday at 3 p. m., when children under twelve years of age can see the show for five cents.

If the company continues to present the high-class entertainment they have promised no doubt they will show to crowded houses.

Free Booklet On Bright's Diseases And Diabetes

We desire to place in the hands of those afflicted with Bright's Disease or Diabetes a free pamphlet that is saving human lives. It is not an ordinary pamphlet, but is principally made up of reports of scientifically conducted tests to a large variety of cases showing 87 per cent of recoveries in these hitherto incurable diseases.

This booklet is for thoughtful people—people who can discriminate between common patent medicine literature and a carefully prepared report of the patient, serious and profoundly a constant investigation.

The specifics employed in these tests are known as the Fulton Compounds and the results obtained prove conclusively that these dreaded diseases no longer have at their disposal a potent resistance. The pamphlet is free of charge. Write for it at once.

When the simplest "Bright's Disease"—weakness, loss of weight, puffiness, backache or eyelids, kidney trouble after the third month's urine may show sediment (filing vesicles, droplets) or more of these.

In Diabetes the distinguishing feature is, weak ness with great thirst at times voracious appetite.
