AN INDEPENDENT PAPER.

MONDAY, FEBRUARY 26

What a nice world this would be if we could all do business like Revs. Simmons and Kelly at Peoria, Ill. They started a bank without a dollar of their own invested, got deposits of something over \$145,000 and have failed with assets, according to the receiver's report, of \$109,000.

It is said that Nick Longworth has begun to read the papers at breakfast, and—his coffee don't taste just right.

Chicago speculators are out large sums on April of last year eggs held in cold storage. They have held too long, the eggs which cost nineteen cents a dozen now being worth but ten cents. Mild weather is responsible for the low price.

About as pathetic story as could be imagined comes from Fall River, Massachusetts, where an insane mother, aged thirty-six, a passenger on a coastwise steamer, during the night threw her children of eight and five years and a baby overboard and jumped after them into the ocean. The children were heard crying in the night and in the morning all were missing.

In metals there is a veritable boom in copper, during the last half of 1905 more copper having been consumed in the United States than in any previous whole year. Half the yield was exported. The annual output of this country is now equal to that of the whole world ten years ago.

Secret societies should be careful about their goat. The Modern Woodmen of America lodge at Bloomington, Ill., is being sued for \$2000 damages alleged to have been sustained by the candidate being initiated being thrown from the mechanical goat as it pranced about the room. Still, this style of goat has some advantages over the genuine article. It only stepped on him afterward, where the "billy" would have made himself into a battering ram besides.

It is not often a scene is witnessed like that at Pendleton last week, when the sheriff boarded a train bound for the penitentiary with an ex-deputy sheriff of a number of years' service in that capacity sentenced to five years, and Moses Taylor, one of Umatilla's wealthiest wheat growers, under sentence of two years for attempted burning of his brother-in-law's home and wheat field.

The highest railroad bridge in the world will be built across the top of the famous Royal Gorge, over the Grand Canyon of the Arkansas river, near Canyon City, Colorado. It will be 2000 feet above the hanging bridge of the Denver & Rio Grande railway, so high in the air that the roaring of the Arkansas river below will be scarcely heard and the big stream look like a thread of silver running between the frowning cliffs.

See our fine Standard Paragon sewing machines at only \$19.50 and \$21.50, fully guaranteed in all respects. You can try them before you buy them, and I think you will agree with me that they are wonderfully good machines. 33 East Ninth street.

The Yellow Fever Germ

has recently been discovered. It bears a close resemblance to the malarial germ. To free the system from disease germs the most effective remedy is Dr. King's New Life Pills. Guaranteed to cure all diseases due to malarial poison and constipation. 250 at W. L. DeLano's drug store.

Some Reasons Why C. A. Johns Should Be Nominated

He is a native-born citizen of the United States, 48 years old, in the prime of life and a type of the younger and progressive element in the Republican party. Is a pioneer of Oregon. Has resided twenty-nine years in the Willamette Valley and eighteen years in Baker City. Graduated from the Willamette University with an A. B. degree in 1878 and was admitted to the bar in 1881. He has always taken an active interest in public affairs. Was elected mayor of Baker City in 1891, re-elected in 1892, and again in November, 1904, by the largest majority ever received by a candidate for that office. In June, 1905, was elected school director for the fourth consecutive term and received every vote cast. Has always taken an active, personal interest in educational affairs.

Excluding saloons, he has the support and endorsement without regard to party, of practically every business interest in Baker county. Is qualified by nature, learning and experience to fill that position. Has never been a factional man, is not a factional candidate and would not be a factional governor. Has always been a Republican and a loyal supporter of its ticket and principles. His nomination would harmonize and unite the party and insure the election of a Republican governor. He is the choice of Eastern Oregon, which, in the congressional election of 1904, cast nearly seven thousand more votes than Multnomah county. Baker County is one of the largest in Eastern Oregon, and in its whole history has never received any political recognition by the Republican party, either state or federal, by election or appointment.

Charles A. Johns has been a man of affairs in the history of the state and of Eastern Oregon in particular; his integrity has never been questioned; has a clean record and the support and confidence of the people. He is recognized as one of the leading lawyers of the state, and as a campaigner has no superiors and but few equals in the state of Oregon. No man ever had a stronger home endorsement.

Notice to Tax Payers

Believing that conditions will be materially improved by complying strictly with the requirements of law and assessing all property for its "true cash value," I take this means of notifying the public that such will be my purpose and that assessing will commence on March 1st. Unrecorded deeds should be placed on record before March 1st, else property represented by same will be assessed to former owner.

Please have your list of personal property ready when the assessor or deputy calls for same—that owned on March 1st at one o'clock a. m., 1906. B. F. KEENEY, County Assessor.

A Healing Gospel

The Rev. J. C. Warren, pastor of Sharon Baptist church, Belair, Ga., says of Electric Bitters: "It's a god-send to mankind. It cured me of lame back, stiff joints and complete physical collapse. I was so weak it took me half an hour to walk a mile. Two bottles of Electric Bitters have made me so strong I have just walked three miles in 30 minutes and feel like walking three more. It's made a new man of me." Greatest remedy for weakness and all stomach, liver and kidney complaints. Sold under guarantee by W. L. DeLano, druggist. Price 50c.
