AN INDEPENDENT PAPER.
TUESDAY, MARCH 20

Judge Taft declines a supreme justiceship. He wants the presidency.

Cement is a scarce article at Portland and coast cities, and the price has jumped from \$2.55 a barrel to \$3.25. The advance comes hard on contractors who figured on the lesser rate.

In the telegraphed list of dead in the Colorado railroad wreck the other day appears the name of a person described as a deputy sheriff, and following it one described as a convict. On their way to the penitentiary most likely.

Prineville repentance of sabbath-breaking has been short lived, the Sunday closing of business houses ordinance passed in April, 1904, having been repealed. Good reason for repeal. That is a country of magnificent distances—the man coming two or three days' journey to lay in supplies to find the stores closed when he got there, would not be pleased to be held under what he would consider unnecessary expenses.

Our national air, "America?" We not only get it second-hand, but fifth-handed. The air, which is an old one and of a religious order, was first adopted by Great Britain and sung to the words of "God Save the King." Prussia and Russia followed suit very soon afterward, Switzerland and the United States later. Russia changed later, though, to an air thoroughly Russian in character and in march form.

Judge Hamilton, who as "legislative agent" disbursed a million dollars or so of life insurance company money corrupting the New York legislature to prevent the passage of laws to fully protect the policyholders, now that the storm is on is left to shift for himself. But he has his say, and a very good one it is. Here is a sample:

I note that some of those gentlemen in New York say they do not know me. It certainly seems strange that any man should be in a position to spend very large sums of money, of which they are the legal guardians, during a long term of years and yet be totally unknown to them.

Torture By Savages

"Speaking of the torture to which some of the savage tribes in the Philippines subject their captives, reminds me of the intense suffering I endured for three months from inflammation of the kidneys," says W. M. Sherman, of Coaling, Me. "Nothing helped me until I tried Electric Bitters, three bottles of which completely cured me." Cures Liver Complaint, Dyspepsia, Blood Disorders and Malaria; and restores the weak and nervous to robust health. Guaranteed by W. L. DeLano, druggist. Price 50c.

Save Your Money

By having your wood sawed by a gasoline wood saw. It furnishes its own fuel and does not burn yours—see the point! Saws by a gauge. For prompt service ring up Red 3191 or call at 755 Ferry street, W. E. BODDY.

For the Public Benefit

O. C. Mickelson would like the public to read what Dr. Harris says: "I have had the O. C. Mickelson & Co. dairy examined and find everything in a satisfactory condition."

Co. Health Officer.
