PROCLAMATION

Whereas, The secretary of state of the State of Oregon has notified me in writing that pursuant to the provisions of an act entitled "An Act making effective the initiative and referendum provisions of Section 1 of Article IV of the constitution of the State of Oregon, and regulating elections thereunder and providing penalties for violations of provisions of this Act," approved February 24th, 1905, the licensees and Wholesale Liquor Dealers' Association of Oregon filed in his office on January 22, 1906, an initiative petition containing 821 signatures properly attested in accordance with law, demanding that a proposed law, the title, tenor and effect of which is hereinafter particularly set forth, shall be submitted to the legal voters of the State of Oregon for their approval or rejection at the general election to be held in said state on the 4th day of June, being the first Monday in June, 1906.

Now, therefore, I, Geo. D. Chamberlain, governor of the state of Oregon, in obedience to the provisions of said act heretofore first mentioned, do hereby make and issue this proclamation to the people of the state of Oregon announcing that the said licensees and Wholesale Liquor Dealers' Association has filed said initiative petition with the requisite number of signatures thereto attached demanding that there shall be submitted to the legal voters of the State of Oregon for their approval or rejection at the regular election to be held on the 4th day of June, 1906, said day being the first Monday in said month, a bill entitled "A bill to propose by initiative petition a law to amend Section 1 and to repeal Sections 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17 and 18, and adding sections to be designated as sections 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17 and 18, of a law enacted by the people of the State of Oregon, under an initiative petition by vote and election held at the general election in June, 1904, and entitled 'A bill to propose, by initiative petition a law, providing for elections in any county or any precinct therein, or any subdivision of a county, consisting of any number of precincts entire and contiguous of such county, to determine whether the sale of intoxicating liquors shall be prohibited in such county or subdivision thereof, or in such precinct; providing for the filing of petitions for such elections and the form and effect thereof, and for the time and manner of holding and conducting the same; declaring what shall constitute a subdivision of the county within the meaning of the law; declaring what acts shall and what acts shall not constitute a violation of this law; declaring the qualifications of petitioners and of electors at such elections; applying to such elections the provisions of sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17 and 18 of the Oregon Revised Code and Statutes of Oregon; providing for printing and distributing ballots for such election; prescribing the duties of public officers in relation to such elections and in relation to the enforcement of the provisions of this law; providing for the issuance by the county clerk of orders prohibiting the sale of intoxicating liquors within certain limits, and declaring the duties of such officers in reference thereto; limiting the time within which the question of prohibiting such sale of intoxicating liquors may again be submitted to vote in the same district; providing penalties and punishment for the violation of any of the provisions of this law; providing for the return to any liquor dealer or other person of a proportionate amount of any license fee which he may have paid, whenever the district in which he shall be engaged in business shall be declared to be prohibition territory; and applying to all elections held under the provisions of this law, the provisions of the general election laws of the State, and declaring certain rules of evidence applicable to prosecutions under this act, and designating the precincts to which this act applies, and providing that this act shall not apply to the manufacture or sale of liquors at wholesale by brewers, distillers, vintners, or wholesale liquor dealers.'"

The tenor and effect of the said proposed bill is to so amend the said existing law that it will, if said bill is adopted, read as follows:

"Section 1. Whenever thirty per cent of the qualified electors of any precinct in the State of Oregon shall petition the county court of any county for the privilege to determine by ballot whether the sale of intoxicating liquors as a beverage shall be prohibited within the limits of such precinct, such county court shall order an election to be held thereon at the next regular biennial election in said county; but general election shall be held with the clerk of said county court not less than forty-five days nor more than ninety days prior to such election. Such election shall be held at the usual place for holding elections in such precinct, if there be such a place, and if not, then at such place as the county court may direct within said precinct, and notice shall be given and the election conducted in the same manner as provided for by law the election of general officers, so far as said law may be applicable. The election shall be conducted by the regular judges and clerks of election in all cases, and the county clerk shall furnish the ballots for each general election at which such local option vote is to be taken, prepared as hereinafter provided. The result of such election shall be certified by the judges and clerks of election in the same manner as the result of the election of county or other officers at a general election, and the county clerk shall enter forthwith the record of the result of the election upon the record of the county court of said county. In all trials for violations of this law the original penalty entry of said record and copy thereof, certified thereto by said county clerk, provided it shows that a majority of vote cast at such election in

such precinct were against the sale of intoxicating liquors as a beverage, shall be prima facie evidence that the selling, furnishing, or giving away of intoxicating liquors as a beverage or the keeping of a place where such liquors are sold, kept for sale, furnished, or given away (if such selling, furnishing, or giving away of intoxicating liquors as a beverage, or the keeping of a place where intoxicating liquors are sold, furnished, or given away, occurred after ninety days from the date of entering the result of such election), was then and there prohibited and unlawful.

"Section 2. The ballots at any election where said local option question is to be voted upon, in addition to the names of officers and other matters thereon, shall be printed with an affirmative and negative statement, as follows: 'The sale of intoxicating liquors as a beverage shall not be prohibited'; 'The sale of intoxicating liquors as a beverage shall be prohibited,' with a blank space on the left side of each statement in which to give each elector an opportunity to designate his choice by a cross, and if the majority of the votes cast at such election shall be in favor of prohibiting the sale of intoxicating liquors as a beverage, then from and after ninety days from the date of entering the result of such election it shall be unlawful for any person, personally or by agent, within the limits of such precinct, to sell, furnish or give away any intoxicating liquors, to be used as a beverage, or to keep a place where such liquors are sold, kept for sale, or are given away or furnished for beverage purposes; and any person who, after ninety days from the date of entering the result of such election, in any manner directly or indirectly sells, furnishes, or gives away, or otherwise deals in any intoxicating liquor as a beverage, or keeps or uses a place, structure or vehicle, either permanently or transiently, for selling, furnishing, or giving away, or in which or from which intoxicating liquors are sold, given away, or furnished, or otherwise dealt in as aforesaid, shall be guilty of a misdemeanor, and shall, on conviction thereof, be fined not more than \$250 for the first offense, and shall for any subsequent offense be fined not more than \$500.

"Section 3. A petition for an election under the provisions of this law shall be sufficient, if substantially as follows:

A PETITION
To determine whether the sale of intoxicating liquors as a beverage shall be prohibited in _____ precinct of the county of _____ in the State of Oregon.
(Date) _____ 1906.

To the county court of _____ county, State of Oregon:

We, the undersigned, respectfully represent that we are qualified electors of _____ precinct, in the county of _____ and State of Oregon, and that we hereby request you to order an election to determine whether or not the sale of intoxicating liquors as a beverage shall be prohibited in said precinct, said election to be held at the time of the next biennial election in said county.

The county clerk shall, upon receipt of such petition, immediately file the same, and shall thereupon compare the signatures of the electors signing the same with their signatures on the registration books of the election then pending, or if none pending, then with the signatures on the registration books and blanks on file in his office for the preceding general election. If the requisite number of qualified electors shall have signed the petition, he shall thereupon see that it is entered in full in the records of the county court. At least twenty days previous to any election hereunder the county clerk shall deliver to the sheriff of the county at least five notices of the election for each election precinct in said county voting on the question. Said notice shall be substantially in the following form:

LIQUOR ELECTION NOTICE.

"Notice is hereby given that on _____ day of _____, 1906, at _____ in the precinct of _____, in the county of _____, an election will be held to determine whether the sale of intoxicating liquors shall be prohibited in said precinct, which said election will be held at 8 o'clock in the morning and will continue until 7 in the afternoon of said day. Dated this _____ day of _____, 1906.

_____, County Clerk of _____ county, Oregon.

It shall be the duty of the sheriff, at least twelve days before any election hereunder, to post said notices in public places in the vicinity of the polling place or places. Thereupon the clerk and the sheriff shall each briefly enter of record their compliance with the provisions of this section, and such record shall be prima facie evidence that all the provisions of this section have been fully complied with.

"Section 4. The phrase 'intoxicating liquors' as used in this act shall be construed to mean any distilled, malt, vinous, or intoxicating liquor, by whatever name the same may be known, but nothing in this act shall be construed to prevent the selling of intoxicating liquor at retail by a regular druggist for exclusively medicinal, pharmaceutical, scientific, or sacramental purposes, and when sold for medicinal purposes, it shall be sold only in good faith upon a written prescription, issued, signed and dated in good faith by a reputable physician in active practice, which prescription shall not be used but once; and nothing contained in any of the sections of this act shall in any manner affect the right of any bona fide wholesale dealer, brewer, distiller, or vintner in said precinct to sell or deliver intoxicating liquors at wholesale. The words 'giving away' where they occur in this act, shall not apply to the giving away of intoxicating liquors by a person in his private dwelling, unless such private dwelling is a place of public resort. The word 'precinct' as used herein shall be construed to mean a voting precinct as established in the several counties of the state.

"Section 5. The following shall be deemed a sufficient entry and record

as a result of an election held under the provisions of this act: State of Oregon, county of _____, day of _____, 1906, in _____ precinct, in the county of _____ State of Oregon, under the precinct local option law, resulted as follows:

Whole number of votes against the sale of intoxicating liquors as a beverage, _____

Whole number of votes for the sale of intoxicating liquors as a beverage, _____

County Clerk.

"Section 6. The territory enclosed by the boundaries of any precinct within which the sale of intoxicating liquors has been prohibited, as provided in section 1 of this act, shall be controlled by the result of such election, and the law shall remain in full force and effect in said territory for two years and thereafter until another petition is presented under the provisions of this act in said precinct for another election therein and the result thereof is against such prohibition.

"Section 7. Whenever any person, firm, or corporation engaged in any kind of liquor traffic has discontinued such traffic, by reason of an election thereon within the time specified by section 1 of this act, and has paid or has charged upon the tax or license roll with an assessment upon such traffic, the county court or city council in incorporated cities where such license or tax is paid to the city, upon being fully satisfied of such fact, shall issue to such person, firm or corporation an order refunding the amount of such tax or license, proportionate to the unexpired time for which said assessment or license has been paid or charged.

"Section 8. The petition for an election provided for herein shall be deemed sufficient when the petition shall be signed by as many qualified electors as is equal to thirty per cent of the number of votes cast in said precinct at the last preceding general election for justice of the supreme court. In complaints, informations or indictments for the violation of this act, it shall not be necessary to set forth the facts showing that the required number of electors in such precinct petitioned for an election, or that the election was held, or that the majority voted in favor of prohibiting the sale of intoxicating liquors as herein provided, but it shall be sufficient to state that the act complained of was then and there prohibited and unlawful.

"Section 9. At any time after two years from the date of an election held under the provisions thereof, but not before another election may be petitioned for, and shall be ordered by the county court as provided for herein. But nothing contained in the provisions hereof shall affect, amend or repeal or alter in any way any other law, statute or ordinance which prohibits throughout a municipality the selling, furnishing or giving away of intoxicating liquors as a beverage, or the keeping of a place where intoxicating liquors are sold, furnished, or given away as a beverage.

"Section 10. All money received from fines and forfeitures collected under the provisions hereof shall be paid into the treasury of the county in cases where the precinct is wholly outside of an incorporated city or town, and shall be paid into the city treasury in all cases where the precinct is within or partly within such incorporated city or town.

"Section 11. Any person being a qualified elector of a precinct wherein an election shall have been held, as provided herein, may contest the validity of such election by filing a petition, duly verified in the county court of the county in which such precinct is situated, within ten days after the election, setting forth the grounds of contest. The county judge shall have full and final jurisdiction to hear and determine the merits of said proceedings, and in other respects in the procedure of such hearing he shall be governed by the law for the contesting of an election of a county officer, so far as such law is applicable. The county court or judge thereof shall require the person or persons contesting such election to furnish security for costs before such petition is filed. Any qualified elector of such precinct may appear in person or by attorney in such contested election case in defense of the validity of such election.

"Section 12. That sections 12, 13, 14, 15, 16, 17 and 18 of the law aforesaid, and all acts or parts of acts in conflict herewith be and the same are hereby repealed."
