AMENDMENTS YOU PASS JUDGMENT ON

Local Option and Woman's Suffrage
Greating Most Discussion at This Time

In addition to the election of state, district, county and precinct officers, there are other matters of importance that will engage the attention of the voters of the state next month. These are the several proposed constitutional amendments, the referendum of the special appropriation bill and several measures proposed by the initiative.

Voters generally are not acquainted with the importance of these measures, numbering in all eleven. They are of vital interest as affecting certain laws now on the statute books, besides making material changes in matters of taxation of corporations and raising additional revenue for the state. Every one of these measures should be carefully studied and investigated by every individual voter that he may vote intelligently on each proposition.

The arrangement of the different propositions on the official ballot will be such as to require a careful examination by the voter if he would vote as he wishes on the different subjects. Voters cannot be too careful in marking their ballots. Each one of the eleven propositions is printed twice on the ballot, one immediately following the other. Both have a number and the marking of an "X" before one indicates an affirmative vote; an "X" before the other indicates a negative vote. Unless the voter is extremely careful he will make the mistake of voting both "yes" and "no" to the same question, thereby invalidating that part of his ballot and at the same time fail to vote at all on an equally important question that follows one on which he votes twice.

For the information of the voters of this county we herewith present a complete list of the eleven different measures on which they will be called to pass at the June election:

Referring to the special appropriation bill passed at the last session of the legislature and providing funds for the maintenance of the various state institutions.

Proposing an equal suffrage amendment to the state's constitution.

Amending the local option law.

For the purchase by the state of the Mt. Hood and Barlow toll road for \$24,000.

Constitutional amendment providing a method of amending the constitution and applying the referendum to all laws affecting constitutional conventions and amendments.

Constitutional amendment giving cities and towns exclusive power to enact and amend their charters.

Constitutional amendment for initiative and referendum on local, special and municipal laws and parts of laws.

Constitutional amendment to allow the state printing, binding and printer's compensation to be regulated by law at any time.

Bill for law prohibiting free passes and discrimination by railway companies and other public service corporations.

An act requiring sleeping car companies and oil companies to pay an annual license upon their gross earnings.

An act requiring express companies, telephone companies and telegraph companies to pay an annual license upon their gross earnings.

The last two proposed laws have been presented by initiative by the members of the grange in this state.

HIGH SCHOOL ATHLETES GIVEN PUNISHMENT

Board Forbids Them to Leave Eugene to Compete With Other Teams

Acts of Insubordination in Past Primary Reason--This Action Will Practically Abolish Athletics in School

The school board at a special meeting held Saturday afternoon made a ruling that will have the effect of practically doing away with athletics in the high school. The following resolution was adopted:

"Resolved, by the board of directors of School District No. 4, that from this date no athletic teams, either football, basketball or any other teams connected with the public schools of Eugene be allowed to leave Eugene for the purpose of engaging with teams of other schools in any athletic games."

The primary cause for this action is the disregard on several occasions by the members of the athletic teams of orders and instructions of the faculty. Last month four members of the track team went to Portland and took part in the Columbia field meet in direct disobedience to the faculty's orders. The boys were suspended for a time, being reinstated only a few days ago. Last year the faculty had similar trouble with the baseball team, and on other occasions there have been acts of insubordination on the part of the athletes.

The patience of the faculty and board of directors has been sorely tried and as a punishment and a lesson to them the athletes have been thus restricted.

Naturally much dissatisfaction is expressed by members of the various athletic bodies of the high school, especially the track team, at the board's summary action. The track team has been in active training for some time past and had several dual meets with other schools scheduled. The team will probably at once go out of training and disband.

Preparations for Memorial Day at Florence--Dr. Saubert Meets With Accident

Dr. Saubert, of Acme, met with an accident last week. While working with a raft of logs he fell into the river and broke a couple of ribs. He is recovering now.

Dr. G. W. Lewis and J. L. Zeigler left for Gardiner last Friday morning, taking the route through the hills. Dr. Leslie was on his way to Marshfield to locate for practice of his profession.

The steamer Roberts left yesterday morning for the Columbia river, where she will be employed for several months. She carried a double crew, among whom were Captain Christensen, Engineers Hardell and Severy and David Kyle, John W. Tanner, David Slaty, James Morris and Frank Johnson.

Preparations are being made in Florence for holding the annual memorial services in honor of the deceased soldiers. A number of the veterans met here last Saturday and appointed several committees and selected the speakers for the memorial sermon and for the address on Decoration Day. The exercises will be held at the Presbyterian church and dinner at the Odd Fellows hall. It is the intention to provide a special table for the veterans and the other people will bring basket dinners. Hot coffee will be furnished for everybody.--Florence West.

HOUSEWIVES COMPLAIN OF SHORT MEASURE

A number of Eugene housewives inform the Guard that three or four Eugene grocers are in the habit of giving them short weight, especially in the case of sugar. Many ladies have scales of their own at their homes and have noticed that this short weight business with these few grocers has been going on for some time past. An effort will probably be made by the ladies to boycott these certain grocers if the unscrupulous practice is not stopped.

SECOND RENDITION SPLENDID SUCCESS

The second rendition of "The Four-Leafed Clover," or "Gluck-auf," by the Patterson school pupils at the theatre Saturday night was a success in every detail. The attendance was good and the little folks acquitted themselves better, if anything, than they did at the first performance. The operetta is the prettiest thing that has been given by the public schools here in years. Much credit for its success is due Miss Ida Noffsinger, who managed and directed the performance.

THE DALLES TEAM DEFEATED TWICE

University and Springfield Win From the Visitors With Ease--Other Baseball Notes

The baseball game of Saturday afternoon between the University of Oregon team and Arthur Stubling's team from The Dalles resulted in a score of 10 to 2 in favor of the University. The score by innings was as follows:

The Dalles	0	1	0	0	0	1	0	0	2
Hits	0	2	1	0	1	1	1	0	7
Oregon	1	0	2	3	0	0	2	2	10
Hits	2	0	2	3	0	0	2	1	10

Summary--Two-base hits--Rice, Hathaway, McCoy, Hard. Stolen bases--Obarr, McInerney, Paine, Hathaway 2, Brown 2, Johnson. Struck out--By Fagan, 5; by Clifford, 10. Bases on balls--Off Fagan, 4. Sacrifice hit--Kelly. Hit by pitched ball--Kelly, Rice. Double plays--Hobbs to Paine to Hathaway; Fagan to McInerney to Steers. Left on bases--The Dalles, 3; Oregon, 4. Time of game--1 hour, 50 minutes. Umpire--Coleman. Scorer--Smith.

SPRINGFIELD 8; THE DALLES 2

The Dalles met another defeat yesterday afternoon, this time at the hands of the Springfield team, by the score of 8 to 2. The game was played on the new grounds in the lumbering city and was largely attended by the enthusiastic fans. The visitors couldn't solve Charley Talianero's benders to any extent. Charley, as well as every member of the team, was at his best and showed the lads from the bunchgrass country how the national game is played.

The H. A. C. and Geary school baseball teams met on the diamond Saturday afternoon, resulting in a score of 7 to 5 in favor of H. A. C.

The Springfield high school team defeated the Junction City team in a game at Springfield by the score of 11 to 1. Two weeks previous the Junction team won by a large score.

The Presbyterian Boys' Brigade team was defeated by a team from Springfield Saturday by the score of 7 to 5.

NEWS ITEMS FROM SPRINGFIELD

The city council has purchased a rockcrusher and now we will look for a big improvement on the condition of our main street. A few hundred loads of crushed rock, properly spread, will help some.

Mr. Fleming informed the News this week that work would be commenced on his new building opposite the Springfield Hotel within a few days. The plans are now out and in the hands of the carpenters. The building will be 44x80 feet, two stories.--The News.

MRS. MARY C. C. BRADFORD COMING

One of the most distinguished club women of the United States is now in Oregon, Mrs. Mary C. C. Bradford, of Denver. While she comes as a suffrage worker, she is here everything else a club woman. She has enjoyed distinguished honors, not in the general and in her state federation, having just retired as president of the latter. She is now general federation secretary for the state of Colorado. Mrs. Bradford has been one of the moving spirits of the Denver Woman's Club, almost any department of which is larger than the largest club in Oregon. She has also been, through her club affiliations, a large factor in all the reform work of Colorado, and one of the strong supporters of Judge Lindsey in his juvenile court work, and of others like him in the great scheme of child saving, for which Colorado stands almost at the head in the United States.

Among her many accomplishments Mrs. Bradford is also an authority on parliamentary law, and at times has acted as official parliamentarian at the great conventions of the Daughters of the American Revolution, of which she is a valued member. It is hoped that in every town where Mrs. Bradford visits the club women may take advantage of her presence and be able to induce her to give a club talk. It would be an inspiration and wonderful uplift to the work of the state federation.--Portland Journal.

Mrs. Bradford will speak at Eugene Tuesday evening, May 29.

MISS OLIVE N. CALEF DIED SUNDAY AFTERNOON

Miss Olive N. Calef died at the Calef home, three miles northeast of Eugene, at one o'clock Sunday afternoon, May 29, 1906, of heart trouble. She was born on the home place February 6, 1883, and resided there continuously till her death. She leaves five sisters and six brothers. The funeral will be held at 2 p. m. Tuesday, with interment in the Gillespie cemetery.

Eighth Grade Examinations

The final eighth grade examination for the public schools will be held on May 17 and 18, June 14 and 15, 1906.

Teachers who have pupils ready for the examination should notify the chairman of the school board, whose duty it is to conduct the examinations in person or appoint some one other than the teacher, and notify me of the number of questions and who is to conduct the said examination so the examiner may receive the questions in time.

W. B. DILLARD, County Superintendent.

Colonist Rates Westward

Commencing February 15th and continuing daily to and including April 30th, 1906, and from September 15th until October 31st, 1906, colonist tickets will be sold from the East to points on the Oregon lines via Portland Rates from Chicago, \$33; from St. Paul, Omaha and Kansas City, \$25. Corresponding rates will be made from other points. Any one wishing to send tickets or ticket and cash to their friends in the East to come West can do so without expense. Call on your local agent for information.
