GOVERNOR TO SPEAK HERE TUESDAY NIGHT

Governor George F. Chamberlain will address the voters of Lane county at Eugene next Tuesday evening, May 29, at the Eugene theatre. He will speak in the afternoon at Cottage Grove.

It was first arranged to speak in this city in the afternoon, but inability to secure a hall at night in Cottage Grove caused a change in the arrangements. The governor has had large meetings wherever he has spoken this year and it is expected that his meetings in Lane county will be no exception to the rule. He is a clear, forcible speaker and always instructs and entertains.

The pupils had arranged special programs, consisting of recitations, drills and music, for the occasion, and flowers were in abundance. Each visitor was presented with a bouquet at two of the schools.

The chairman of the committees which made the visits were as follows: At the high school, J. F. Gates; Central school, E. F. Chapman; Patterson school, Henry Perkins; Geary school, L. Phetteplace. Addresses were made by the members of the committee.

E. F. Chapman and committee will visit the Catholic academy Monday afternoon.

Papers for the lease of the right-of-way for the Southern Pacific Company's spur through C. The company agrees, upon the removal of the timber from the land and the abandonment of operations, to move the railroad track and restore the land to its original condition. The contract specifies that construction work on the spur shall begin within three months from the date of the signing of the papers.
