HINDU LECTURE AT BAPTIST CHURCH

Tonight at the Baptist church, Babu Bhawan Roy, a native high caste Hindu from India, will lecture at 8 o'clock on the "Religious and Social Conditions of India." Mr. Roy is a graduate of three universities: in his native country for the office of priest, in England for the law and in America for his ministry. He is a musician and will render on the cornet some of his own compositions of Indian music. There will be no admission fee, but a silver offering will be taken.

CHEMAWA BASEBALL TEAM COMING

The Multnomah baseball team will be unable to be here to play against the U. O. team Saturday and the Chemawa Indian school team will be here instead. The Chemawa team is one of the best in the state, having defeated Willamette University team, which twice defeated the University of Oregon team. Pollard and Teabo are the Indians' battery.

Pleasant Hill Items

Pleasant Hill, June 14.—C. G. McKay and John Schermer are running butcher wagons now.

Grain and grass in this vicinity never looked better than now. This condition is due to the late rains.

Mr. Statzer has recently bought a span of fine mules.

Ed Parks accompanied Grant Hyland across the mountains to Klamath county with his drove of cattle.

Prof. E. E. DeCou, of the University of Oregon, was in this vicinity last week looking after timber lands. He has contested at least one homestead taken up by a Pleasant Hill resident. We people up here expect to have the graves of our relatives contested next.

Married

Charles E. Howard and Miss Amy Swift, both of Junction City, were married by Justice of the Peace Wintermeier in his office at 11 o'clock Wednesday forenoon. The couple returned to Junction on the afternoon train.

WHO DOES YOUR

Printing

?

THE best work should go to the best printers. Our job office is the best equipped in Western Oregon. Let us give you an estimate on your work. Every time you dress a job with out-of-date type or send on a job that is poorly done you send out a yellow dog to bark against you. As long as he barks you will lose business. Your business associates and your patrons are apt to form a poor opinion of you if you use cheap and poorly printed stationery. "Cheap" printing is dear in the long run. Our work is artistic and the price is reasonable. When you want any work see us and we will save you money and give you better work than you can get elsewhere in Eugene. If you are "from Missouri" come around and we will "show you." Don't send away for your printing when you can get better work for the same money here at home.
