Following the Flag

When our soldiers went to Cuba and the Philippines health was the most important consideration. Willis T. Morgan, retired Commissary Sergeant U. S. A., of Rural Route 1, Concord, N. H., says: "I was two years in Cuba and two years in the Philippines, and being subject to colds I took Dr. King's New Discovery for Consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases. Guaranteed at W. L. DeLano's, druggist. Price, 50c and \$1. WHO DOES YOUR

Printing

?

THE best work should go to the best printers. Our job office is the best equipped in Western Oregon. Let us give you an estimate on your work. Every time you dress a job with out-of-date type or send out a job that is poorly done you send out a yellow dog to bark against you. As long as he barks you will lose business. Your business associates and your patrons are apt to form a poor opinion of you if you use cheap and poorly printed stationery. "Cheap" printing is dear in the long run. Our work is artistic and the price is reasonable. When you want any work see us and we will save you money and give you better work than you can get elsewhere in Eugene. If you are "from Missouri" come around and we will "show you." Don't send away for your printing when you can get better work for the same money here at home.
