Rock Island **FRISCO**

La Salle Street Station—Used by Rock Island-Frisco Lines.

Have YOU ever been in CHICAGO?

If so, you know the extremely convenient location of La Salle Street Station.

If you are a stranger in the city, however, it is of great importance that you learn about this magnificent and comparatively new terminal, used jointly by Rock Island-Frisco Lines.

It is nearest the heart of the city—closely adjoining the business section—within easy walking distance of State Street shopping center and all the principal hotels—the only depot on the elevated loop.

The Rock Island right-of-way into Chicago is elevated for more than eight miles out through the suburbs. Prompt arrival at Chicago terminal is thus assured. Englewood Union Station, seven miles out, affords ready access to southern suburbs—all through trains stop there.

POSTOFFICE MAY BE ON CATHOLIC LOT

Work Suspended on New Church Building Pending Selection of Site for the Government Building

Work on the new Catholic church has been postponed until a decision has been reached as to a site for the new government postoffice building. The corner lot on which the excavation for the new church building has already been made was offered as a site for the postoffice for \$11,000. It is understood that Archbishop Christie ordered the work stopped until the postoffice site matter is settled, as he has had reasonable assurances that this lot is among those most favorably considered.

IMPROVEMENT AT BUSINESS COLLEGE

The rooms occupied by the Eugene Business College, on the third floor of the Hall building, on East Ninth street, are being rearranged in preparation for the beginning of the fall term on September 7. The partition separating the main school room from the typewriting and stenography department has been removed to the north end of the building and the department will be located there, giving it more room, also enlarging the main room.

TWO ACCIDENTS IN SOUTHERN LANE

Harvey Lajoie Shot in Leg With Revolver and Fred Jones' Toes Cut Off in Logging Camp

Harvey Lajoie, the 16-year-old son of Henry Lajoie, residing near Walker, was accidentally shot in the right leg with a pistol Sunday. He had cocked the pistol to shoot at a squirrel and placed the piece back in his pocket without uncocking it, when it was discharged. Drs. Kime and Hockett removed the bullet, which had lodged under the bone back of the knee. The wound is not dangerous.

Fred Jones, a young logger working for the Chambers Lumber Co. at Dorena, had a bad accident about ten o'clock Tuesday morning. He was going up the log chute and stopped to cut a young maple out of the way, but his ax caught in another tree and descending struck his right foot completely severing the big toe and the two toes next to it, and badly cutting the fourth. He was immediately brought to Dorena, and just caught the train which hurried him to town where Drs. Job and Oglesby dressed the foot, sewing the toes back in place. A large artery was severed. Cottage Grove Nugget.
